MID TERM PROGRESS REPORT MINFORD HIGH SCHOOL

Student's Name I	[D #	Grade	Date
Subject	Grading Perio	od Ending	

Dear Parents:

This notice indicates that your son or daughter is making less than satisfactory progress in the subject mentioned above. If the student continues with the same level of work in class, or it the level of work worsens before the end of the six weeks period, then the student could very likely receive a failing grade for this grading period.

In the best judgment of the teacher, the items checked below represent the chief reasons for the difficulty experienced by your son or daughter. You may call the counselor listed below if you have questions, and the counselor will arrange for an appointment with the teacher if you desire. Please help us help your child with his/her education.
