

**SECURITY DEPOSIT RETURN DESIGNATION FORM**

**ADDRESS OF APARTMENT** \_\_\_\_\_ **APT. #** \_\_\_\_\_

**Term of Lease from:** \_\_\_\_\_ **to:** \_\_\_\_\_

We herewith designate \_\_\_\_\_ to be the person to whom our security deposit should be returned at the end of our lease term.

The address to which the security deposit should be returned is:

\_\_\_\_\_  
Name

\_\_\_\_\_  
Street

\_\_\_\_\_  
City, State, Zip

The return of our security deposit to the designated person at the designated address releases the landlord from any liability with the respect to the return of the security deposit to each individual tenant. This designation can be changed at anytime up until the expiration of the lease with written agreement by *all* of the current tenants of the apartment. In the event that all tenants cannot agree to designate one person to receive the security deposit return, a single check will be issued with all tenants named as payees and will require each tenants signatures before it can be cashed.
