## **What is GoldPLUS?**

**GoldPLUS** is a convenient substitute for cash at on-campus locations and many off-campus businesses. **GoldPLUS** is accepted at all University Dining Services locations, plus the University Bookstore, Parking Services, Printing Services, Library Services, vending machines, and laundry machines. **GoldPLUS** is also accepted at over 75 local merchants, including eateries, retail stores, pharmacies, and other local shops. **GoldPLUS** may not be used to purchase alcohol or tobacco products. Additional **GoldPLUS** deposits (\$20 minimum) may be added year round, as **GoldPLUS** carries over from semester to semester, and year to year. Funds cannot be withdrawn from a **GoldPLUS** account, but any unused GoldPLUS is refunded to the student after graduation (subject to a \$15 administrative fee). More info at [www.lehigh.edu/goldplus](http://www.lehigh.edu/goldplus).

Your Lehigh University ID Card acts as your **GoldPLUS** Debit Card. Deactivate lost ID Cards immediately by logging on the Campus Portal, “My Lehigh” tab, “My GoldPLUS” channel. If you do not have access to the portal to deactivate your card, you may call the GoldPLUS/ID Office (610-758-6169), or the Campus Police (610-758-4200). Unauthorized charges prior to the **GoldPLUS** Office being notified will be your responsibility. Only the balance at the time the card is reported lost to us will be protected against unauthorized use.

## **What is my GoldPLUS Card?**

There is no separate **GoldPLUS** card. Your Lehigh University ID Card is also your **GoldPLUS** card. Your **GoldPLUS** account is activated with your initial deposit, and remains active throughout your entire time here at Lehigh. You swipe your ID card for transactions just like you would use a regular debit card.

## **How Much \$\$\$ Should I Add To My GoldPLUS Account?**

Any amount is acceptable; however, we recommend \$700-\$900 for initial or beginning of semester deposits if **GoldPLUS** is to be used for books.

For those not purchasing books with **GoldPLUS**, \$200-\$250 may be a good starting point for laundry (\$1.50 per washer, \$1.00 per dryer), supplies, and miscellaneous on-campus and off-campus expenditures. Remember, you may make additional deposits to your **GoldPLUS** account at any time throughout the year.

## **How Can I Check My Current GoldPLUS Balance?**

All current **GoldPLUS** account holders can access their **GoldPLUS** account via the Campus Portal. Under the “My Lehigh” tab, look for the “My GoldPLUS” channel, and click on “My GoldPLUS balance” to look up your current **GoldPLUS** balance, retrieve detailed statements, and email & print statements. If you have questions or need additional service, phone 610-758-6169, or email [ingold@lehigh.edu](mailto:ingold@lehigh.edu).
