## 2016 Kids' Calendar Contest

### Attention Students and Teachers – we need art!

Each year the Valley Air District creates a 13-month bilingual calendar complete with healthy air living messages and creative artwork from students kindergarten to 12th grade in the San Joaquin Valley. 20,000 of these calendars are distributed to schools, libraries, businesses and public agencies across the Valley's 8 counties. We will select 14 artists for the 2016 edition; so get out your markers, crayons and paints to start your clean-air masterpiece!

### EXAMPLES of healthy air living messages:

- ▶ Healthy air starts with me!
- ▶ Turn off the engine while waiting to pick us up from school
- ▶ Check Before You Burn
- ▶ Make one change for healthy air!
- ▶ Switch to a hybrid or electric car
- ▶ Ride your bike (or skateboard or scooter)
- ▶ Use a rake or electric lawnmower
- ▶ BBQ with propane or natural gas
- ▶ Drive less to help clean the air

### Entry Instructions

1. Draw a color picture that shows what we can all do to help clean our air. Drawings must be your own original artwork.
2. Design your picture on an 8 ½" x 11" piece of white paper, turned lengthwise or horizontal
3. Students must live in one of the 8 counties of the Valley Air District.
4. Write a clean-air message on the picture in English and/or Spanish. (*Bilingual entries are encouraged*)
5. Please do not use "Spare the Air" messages—Healthy Air Living has replaced that program.
6. Please complete the entry form on the back of this flyer and attach it to the back of your artwork.
7. Please DO NOT fold or staple your drawing.
8. Turn artwork in by the October 5, 2015 deadline!
