

ePortfolio Reflection Sheet: **Must be completed for every project submitted**

Student Name: _____ Today's Date: _____

Class: _____ Teacher: _____

Project Title: _____ Date of Project: _____

ICT Standard I: Communication and Collaboration

In this project, I used digital media and environments to communicate and work corroboratively, to support my learning and the learning of others. *(Check one)* **Yes** **No**

I used the following digital media & environments to communicate & collaborate for this project *(Check all that apply)*:

Google Docs/Sites Group Collaborate/Drop/Handout Folders Skype with _____

Blogging (Link): _____ Wiki (Link): _____

First Class Other (Please describe/link): _____

Who were your collaborators and how did you use technology to collaborate?

Did you communicate with someone from another culture? *(Check one)* **Yes** **No**

If yes, what did you learn? _____

Did you and your collaborators encounter problems? What were they and how did you solve them?

ICT Standard 2: Creativity and Innovation

In this project, I have demonstrated creative thinking, constructed knowledge, and developed an innovative product and/or process using technology in support of a concept or idea. (Check one) **Yes** **No**

I used the following software for this project (Check all that apply):

- | | | | | |
|--|--|---|--|--|
| <input type="checkbox"/> Comic Life | <input type="checkbox"/> SAM Animation | <input type="checkbox"/> Inspiration | <input type="checkbox"/> Google Docs/Sites | <input type="checkbox"/> Animationish |
| <input type="checkbox"/> Photoshop | <input type="checkbox"/> Illustrator | <input type="checkbox"/> iMovie/Movie Maker | <input type="checkbox"/> MS Office | <input type="checkbox"/> iPhoto/ Other Photo Share |
| <input type="checkbox"/> Garage Band/ Audacity | <input type="checkbox"/> Other: _____ | | | |

How did you decide what software to use? _____

Was your final product completely **original** work? (Check one) **Yes** **No**

What was the purpose of the project? _____

Did this project require you to analyze any data? (If yes, what?) _____

What would you do differently if you had the chance to go back and do things over?

How could a different technology tool have improved your final product?

Indicators for Standard #2: (Check all that apply to your project)

2-a 2-b 2-c 2-d

Explain how you met each indicator in the space provided on the next page. (Make sure to identify which indicator you're talking about):

ICT Standard 3: Critical Thinking, Problem Solving and Decision Making

In this project, I used critical thinking skills to plan and conduct research or manage a project, or solve a problem. I made informed decisions using appropriate digital tools, strategies and resources. (Check one) **Yes** **No**

I used the following software to help me think critically about my project (Check all that apply):

Library Catalog MS Office Apps Google Docs/Sites

Other (describe): _____

How did you use technology to make decisions in this project?

How did using technology lead you to change your perspective on this topic?

ICT Standard 4: Digital Citizenship

In this project, I practiced appropriate legal and ethical behavior. (Check one) Yes No

I used the following tools to demonstrate my personal responsibility for lifelong learning (Check all that apply):

Atomic Learning Online Tutorials Manuals A Teacher: _____

Other (describe): _____

How did you practice safe, legal and responsible use of technology in this project?

How did you demonstrate leadership through technology in this project?

What new skill set did you have to learn to complete this project?

Did you maintain a positive attitude about technology throughout this project? (Check one) Yes No

ICT Standard 5: Research and Information Fluency

In this project, I applied digital tools and strategies to gather, evaluate and use information to support my learning for this project. *(Check one)*

Yes **No**

I used the following technology tools to gather, evaluate and use information in this project *(Check all that apply)*:

Library Catalog EBSCO Database Search Engine Inspiration
 Google Wonder Wheel or Timeline Google Reader (RSS Feeds) Other: _____

Please describe how you searched for your information, include search terms and strategies. How did you evaluate your results? What did you do with the information after you found it?

How did you report your findings (what was your final product)?

ICT Standard 6: Technology Operations and Concepts

In this project, I demonstrated a sound understanding of digital tools and technology concepts, systems and operations (*Check one*)

Yes **No**

How did you make effective use of technology for this project?

Did this project require any technology troubleshooting? How did you handle it?

What past experience/ knowledge did you use to help you complete this project?
