Northbridge Middle School 2015 Fall Sports Registration Form

Due to the 2014-2015 budget cuts, Middle School sports were eliminated from the budget. The Northbridge Middle School Boosters Club continues their work to fund ALL middle school sports. We are currently focused on the **fall** season. In order to determine if we have enough to fund the 2015 fall sports program, we need all interested students to register and pay in full by **Friday, July 31**.

The participation fee for Middle School sports is as follows:

Football	\$150 per player
Soccer (boys and girls)	\$100 per player
Field Hockey	\$100 per player

Checks should be made payable to "NMS Boosters Club."
