

## Student Schedule Planning Worksheet

The Student Schedule Planning Worksheet helps you pre-plan an ideal class schedule before meeting with your academic advisor or registering for classes. With space to draft an ideal schedule and prompts to plan for alternate courses, the worksheet helps you make the most of your advising session and time here at UTRGV. And remember, as you plan for the next semester, use the Class Scheduler, Crosswalk Guides or Road Maps, General Education Core and the Undergraduate Catalog to aid you in creating your class schedule options.

**Based on your remaining degree course work, what is your ideal class schedule?**
