

FDA SUMMER ACTIVITIES 2010

ACT Math Review

Fee: \$100.00

Instructor: Christy Little

Max. # of Students: 25

Need to review your math skills prior to taking the ACT? During this workshop, we will review necessary math skills for taking the ACT and will discuss test taking skills. At the end of the course, we will take a practice test and score it. Students will need to bring paper and pencils with them each day.

Dates: June 7-11

Time: 9:00- 10:30

Grades: *9th – 11th
*completed above grades

Making a Piñata

Fee: \$50.00

Instructor: Christy Little

Max. # of Students: 15

Come make a piñata. All materials will be supplied. Please do not wear nice clothing as we will be working with papier-mâché. Each child will create his/her own piñata to take home on Friday. Late registration cannot be accepted after June 10, because all supplies must be purchased prior to the workshop. This is a three day workshop only.

Dates: June 14th, 16th, 18th
June 14th
June 16th
June 18th

Time:
1:00- 2:30
1:00–2:30
1:00- 3:00

Grades: *3rd-8th
*completed above grades

Super Science Stuff

Fee: \$50.00

Instructors: Jackie Thompson

Max. # of Students: 12

We will read about and conduct simple science experiments. This workshop is for the student that likes to know how things work and why! Skills reinforced: reading, writing, math concepts and reasoning skills.

Dates: June 21-25

Time: 1:00 – 3:00

Grades: *K5 – 2nd
*completed above grades

Everything Girls

Fee: \$50.00

Instructors: Jackie Thompson

Max. # of Students: 15

This workshop will include topics that girls like and need to know. We will work on letter writing, using good manners, proper etiquette for different occasions. They will learn sewing techniques and how to make simple snacks, as well as discuss developing good study habits.

Dates: June 21-25

Time: 10:00 – 12:00

Grades: *1st – 3rd
*completed above grades

Math Adventures

Fee: \$50.00

Instructor: Regina Parker

Max # of students: 15

Students will explore multiplication, division, addition, and subtraction of whole numbers. They will also learn how to use English and Metric rulers. Students will review basic concepts, play games, and challenge their thinking skills.

Dates: July 5-9

Time: 8:00-10:00

Grades: 2nd – 4th

(Review for 4th Grade Students)

**Completed above grades*

Math Explorations

Fee: \$50.00

Instructor: Regina Parker

Max. # of students: 15

Students will explore multiplication, division, addition, and subtraction of decimals and fractions. They will soar through perimeter and area of squares, triangles, rectangles, parallelograms, and circles. Students will review and challenge their thinking skills with math team problems.

Dates: July 5-9

Time: 1:00-3:00

Grades: 4th-6th

(Challenge for 4th Grade students)

**Completed above grades*

Dive into the Eight Parts of Speech

Fee: \$50.00

Instructor: Regina Parker

Max. # of students: 20

Students will make a big splash with nouns, pronouns, adjectives, verbs, adverbs, conjunctions, interjections, and prepositions. They will learn how to identify, use, and diagram each part of speech. Students will also use their skills to write poetry, paragraphs, and short stories.

Dates: July 5-9

Time: 10:30-12:30

Grades: 2nd -6th

**Completed above grades*

Reading/Math Fun Workshop

Fee: \$50.00

Instructor: Ann Blackmon

Max. # of Students: 10

This workshop will be divided into two learning blocks. The first will be a fun session devoted to learning how to write a summer book report, or finishing the reports if you have started. We'll concentrate on completing reports on books written by Robert McCloskey, Jean Fritz, and Bill Peet, since these will be the most difficult reports to write. The students will also prepare a folder for the book reports which can be turned in the first day of the second grade school year. After a short break, the students will have an exciting time reviewing those vital math skills that must be mastered before entering second grade. Learning games will be played during both sessions. The students will be allowed to complete at least one activity in a cooperative learning group, and learning centers will be provided including math computer activities.

Dates: July 5 – 9

Time: 8:45 – 12:00

Grades: Completed 1st Grade

Summer Art Class

Fee: \$50.00

This class will provide instruction in drawing in color and non-color mediums; painting in acrylics and waterbase paints; mixed media, collage and 3-D materials will be explored. Students will construct a variety of projects and have a fun filled and creative experience. We will meet in the Art Room and all materials will be provided. Bring your creativity!

Dates: July 12-16

Time: 9:00 – 10:30

Grades: 2nd-6th

Instructor: T.K. Lee

Max. # of students: 15

Babysitting 101

Fee: \$50.00

Objectives for this workshop are:

1. to become equipped with the appropriate and necessary tools for effective and dependable babysitting services.
2. to discover the growth patterns and developmental stages of young children.
3. to learn exciting, fun, stimulating, and educational activities to use with their children.
4. to learn the appropriate measures for handling babysitting emergencies.
5. to become certified for Infant/Child CPR

:

Schedule and overview of sessions:

Day 1: Child Growth and Development

Day 2: Your Big Bag of Tricks: Engaging Activities for Kids (students will actually participate in some of these activities themselves)

Day 3: Babysitting: Mary Poppins Style (discover ways to have fun and learn at the same time, discipline techniques, etc.)

Day 4: HELP! How to Handle Babysitting Emergencies

Day 5: Infant/Child CPR Certification (Certified health professional will direct session.)

Dates: July 26 – 30

Time: 10:00 – 12:00

Grades: *5th – 12th
*Completed above grades

Instructor: Robin Settle

Max. # of Students: 20-25

Volleyball Rocks

Fee: \$50.00

This workshop is both an introduction to the fundamental skills and strategies of organized volleyball and a workshop designed to develop individual skills for the beginner player: forearm pass, set, attack, block and serve. Students will gain an understanding of team strategies, and they will learn to practice effective communication techniques with their teammates as they participate in a wide variety of drills and exercises. Participants will wear tennis shoes daily and provide their own knee pads, water bottle (water, Gatorade, etc...NO SODAS), snacks, and hand towels (optional).

Dates: June 28– July 2nd

Time: 2:00 – 4:00

Grades: 4th - 8th
*Completed above grades

Instructor: Scarlett Anderson

Max. # of Students: 18

Swing Into Summer

Fee: \$50.00

Instructor: Scarlett Anderson

Max. # of Students: 12

This workshop is to provide opportunities for students to experience enjoyable play while developing motor, cognitive, personal and social skills. Students will learn the basic swinging techniques for golf, softball, and tennis. They will also learn how to "swing" a jump rope. Students will work on key points such as distributing weight, hand-eye coordination, and following through. Although most of these skills are for individual players, they will learn how to effectively communicate with teammates as they participate in group exercises. Students are required to wear tennis shoes each day and provide their own water bottle (water and/or Gatorade, NO SODAS), and snacks.

Dates: June 28 – July 2nd

Time: 8:00 – 10:00

Grades: K-5 – 1st

*Completed above grades

Swing Into Summer

Fee: \$50.00

Instructor: Scarlett Anderson

Max. # of Students: 12

This workshop is to provide opportunities for students to experience enjoyable play while developing motor, cognitive, personal, and social skills. Students will learn the basic swinging techniques for golf, softball, and tennis. Students will work on key points such as distributing weight, watching the ball, and following through. Although most of these skills are for individual players, they will learn how to effectively communicate with teammates as they participate in group activities. Students are required to wear tennis shoes each day and provide their own water bottle (water and/or Gatorade, NO SODAS), and snacks/lunch.

Dates: June 28 – July 2nd

Time: 10:30 – 12:30

Grades: 2nd – 4th

*Completed above grades

Jump Start Into K-5

Fee: \$50.00

Instructor: Ellinor Nelson

Max. # of students: 16

Come join the fun and clear the cobwebs from your brain. We will have great fun reviewing the letters, their sounds and how to write them. We will tune up our ears for the auditory skills needed to hear the different sounds of the letters as they are in words. We will also spend time reviewing our math skills. Numbers will also be reviewed. Number identification, value, ordinal numbers, and simple mathematic equations will be explored. Come and join the fun as we get geared up for a great year in K-5.

Dates: August 9-13*

Time: 9:00-11:30

Grades: Completed K-4

*Starting last full week before school starts.

Basketball Camps

Fee: \$60.00

**Instructor: Coach Mantooth
Coach Parker**

Boys' Camp

Dates: June 21-24

Grades 1-9 (grade in fall)

Time: 1:00-4:00 p.m.

Girls' Camp

Dates: July 26-29

Grades 1-6 (grade in fall)
