

**SCHOLASTIC PAPERBACKS MEET YOUR STANDARDS!**

**A CORRELATION OF PAPERBACK TITLES SUPPORTING THE  
IOWA CORE CURRICULUM FOR SCIENCE  
FOR KINDERGARTEN TO GRADE 8**

The attached correlation of paperback titles is provided for your information and convenience.

- Individual titles in this document have been aligned to one grade and one standard.
- Titles support, align, enhance or extend content area learning intentionally engaging students in quality literature.
- Literature and nonfiction titles have multiple applications and content that can address several topics. Therefore, we recommend browsing all the standards and across grades to identify and select books that meet the unique needs of your classroom.
- Leveling information provided includes lexile, guided reading and DRA levels where available.
- Please refer to the Scholastic Educational Materials catalog and the Scholastic Science & Social Studies catalog for more details on these and other books for your classroom.
- Volume discounts apply: 15% off individual paperback orders \$50 to \$99.99, 25% off individual paperback orders \$100 to \$999.99, 30% off individual paperback orders \$1,000 to \$3,499.99, and 40% off orders more than \$3,500. Prices expire Aug. 2012

\* Where noted titles may be available in limited quantities.

*Intermediate Elementary Grades (3-5)*

*Science as Inquiry*

*Essential Concept and/or Skill: Identify and generate questions that can be answered through scientific investigations.*

*Essential Concept and/or Skill: Recognize that scientists perform different types of investigations.*

*Essential Concept and/or Skill: Plan and conduct scientific investigations.*

*Essential Concept and/or Skill: Use appropriate tools and techniques to gather, process, and analyze data.*

*Essential Concept and/or Skill: Incorporate mathematics in science inquiries.*

*Essential Concept and/or Skill: Use evidence to develop reasonable explanations.*

*Essential Concept and/or Skill: Communicate scientific procedures and explanations.*

*Essential Concept and/or Skill: Follow appropriate safety procedures when conducting investigations.*

## Life Science

Essential Concept and/or Skill: Understand and apply knowledge of organisms and their environments, including:

- Structures, characteristics, and adaptations of organisms that allow them to function and survive within their habitats.
- How individual organisms are influenced by internal and external factors.

## PLANTS

|                                                                     |         |         |    |      |     |   |       |           |        |  |  |
