

Student-Led Conferences

Dear Parent(s)/Guardian(s):

We hope that you can make it in for the first round of conferences. Conferences will be student-led, and we are excited about the students playing such an active role in this process. Student/Parent/Teacher conferences are scheduled for Wednesday, October 10, and Thursday, October 18. We will involve students as active conference participants. Your child will present his/her folders of work and discuss them with you. If you feel a conference is not needed, we will send your child's work home for you to review.

Conferences will be scheduled in 30-minute intervals, the first beginning at 4:00 p.m. and the last beginning at 7:00 p.m. on both evenings. We will be holding up to five student-led conferences during each thirty-minute segment. We feel the 30-minute time allotted will allow us to better serve each student. Please indicate your conference appointment preference below. Appointments will be scheduled on a **first-come, first-serve** basis. Please return this form to Mr. Beckley as soon as possible. We will confirm your appointment by returning the form at the bottom with your child.

We look forward to sharing your child's accomplishments and successes.

Sincerely,
Team 603

Please return the bottom to your child's science teacher by 10/5
