Book Title:	
Author:	
Total # of pages read :	

Please answer the following questions in complete sentences and paragraphs when needed.

1. In paragraph form (6-9 sentences), provide a summary of this section of reading. (Summary)

2. List five words from this novel that you or someone else may find difficult. For each, write the definition, two synonyms and two antonyms. Label. **(Vocabulary)**

3. List three conflicts from your reading so far. Use the _____ versus _____ format. Provide an explanation of each conflict. **(Conflict)**

4. Connect your life to a character or event from your book: What do you have in common? Clearly explain the connection in a detailed paragraph.

5. On a white sheet of copy paper, redesign your book's cover. Please use color and symbolic images from your reading. Then, provide a description of your cover explaining your choices. Label your choices directly on your book cover design.

6. Choose one character from your reading that you admire. What about this character's personality do you like? Would it be possible for you to obtain this positive attribute in your own life? Explain. (Characterization)

7. Describe the setting of your book. Please include as much information as possible. (Think about: month, year, season, specific location, weather, historical events, etc.) **(Setting)**

8. How does the setting of your book influence the events of the novel? How are the characters affected by where they live, the season, history, etc, around them? Explain. **(Setting)**

9. What else might your book be titled? Choose three new titles for your book and explain your choice for each.

10. Choose three important quotations from your book and explain their significance to the overall book's central message. **(THEME)**
