Division Staff**

SUBJECT: Disposal of Abandoned Mobilehomes

The purpose of this Information Bulletin (IB) is to inform mobilehome park owners and other stakeholders affected by the recent adoption of AB 999 (Chapter 376, Statutes of 2015). Effective January 1, 2016, AB 999 provides the authority for disposal of abandoned mobilehomes and manufactured homes obtained after a receipt of judgment of abandonment or through a warehouse lien sale. Upon completion of this new process, a mobilehome park owner may avoid both registering an abandoned mobilehome with the Department of Housing and Community Development (HCD) and subsequently paying all unpaid property taxes and HCD fees¹.

“Dispose” or “disposal” is defined by the new law as both the removal and destruction of an abandoned mobilehome or manufactured home from a mobilehome park, making it unusable for any purpose and not subject to, or eligible for, use in the future as a mobilehome or manufactured home.

BACKGROUND

Generally, any person purchasing a mobilehome or manufactured home, whether at a judgment of abandonment sale, warehouse lien sale, or any other time must transfer title into the name of the purchaser and register the home with HCD’s Registration and Titling (R&T) program within 20 days of purchase. The transfer of title requires, among other things, repayment of all outstanding property taxes or HCD license fees. This requirement exists even if the purchaser intends to salvage the unit, and the cost may exceed any economic value of the unit.

In response, the Legislature enacted AB 999, allowing for “disposal” without registration and payment of unpaid property taxes or HCD license fees in limited circumstances. When a mobilehome park owner purchases an abandoned home and proceeds with disposal in accordance with the requirements of the Civil Code, the tax or fee exemptions will apply.

¹ Civil Code section 798.61 after receipt of a judgment of abandonment. Civil Code section 798.56(a) after a warehouse lien sale.

Procedures for Disposal of Abandoned Mobilehomes

HCD has developed and is making available instructions to facilitate compliance with the new law. The attached instructions describe all items necessary for a mobilehome park owner to provide to HCD before and after disposing a mobilehome/manufactured home, and prior to receiving an HCD Disposal Certificate.

The attached instructions will be available to all mobilehome park owners and its agents who seek to dispose of abandoned mobilehomes or manufactured homes and qualify for the exemptions.

Mobilehome park owners may develop and use their own checklists; however, HCD staff must ensure that all requirements listed in the attached instructions have been satisfied prior to issuing an HCD Disposal Certificate.

Questions or concerns regarding this information bulletin may be directed to Rebecca Salazar, R&T Program Manager, at (916) 263-5420 or by email sent to transfers@hcd.ca.gov.
