

Northwestern College

American Hero Tuition Discount

All current active and retired military personnel, as well as veterans, enrolling in a degree or certificate program at Northwestern College are eligible for a 15% American Hero's Tuition Discount. In order to qualify for the discount, all admission requirements must be completed, and applicants must provide proof of service by submitting an actual or faxed copy of their military ID card, including the expiration date. Retired military personnel must provide valid retiree ID or DD 214 (discharge papers) form. In addition, Northwestern College will extend the 15% American Hero's discount to the spouse and dependents of any service member as outlined above. These individuals must provide an actual or faxed copy of their dependent military ID card, which includes an expiration date. All students who are qualified to participate in the American Hero's Tuition Discount program are eligible to apply for veteran's or GI benefits and US Department of Education Title IV funds, but are advised against accepting funds that exceeded program charges. Students participating in the American Hero's tuition discount program are not eligible for additional tuition discount programs.
