

Tenpin Tauranga presents our new **BUSINESS HOUSE LEAGUE**

- A Business House League is a great way of networking with other businesses in the Tauranga area. It's also a chance to meet new people as well as get to know your work colleagues in a social environment.
- Here at Tenpin Tauranga we are starting a new Business House League. As a member you will get to play 2 games for a total cost of \$10.00 per person. (normal price \$17)

Leagues
The most cost effective way to play the game.

League begins on _____ / _____ / _____ at _____

- The business house will run for a round of at least 11 weeks so you get to play all the other teams at least once and get to know all the other members. At the end of each round a fun night is held to give out trophies and other special prizes.
- The League works on a handicap system to make the game more even for bowlers of different skill levels.
- There are no restrictions on age, male/female team makeup.
- So what do you need to do? Talk to your colleagues today, form a team of three and give us a call to sign up! We do the rest – supply you with everything you need to get started – house balls, house shoes, and FREE LEARN TO BOWL lessons. Contact Mark to book your lessons soon.
- We also have a licensed bar offering beer, wine and ready to drink beverages. Our on site Café "Alley Cats" offers a range of snacks and meals as well as finger food platters perfect for satisfying your after work hunger.
