CHECKLIST FOR IMMIGRANT VISA INTERVIEW

An immigrant visa appointment has been scheduled for you to come to this office on the date specified in your appointment letter. All members of your family immigrating with you must appear with you on the appointment date. If you **CANNOT COME TO THE APPOINTMENT**, please notify us immediately at jerusalemivquiries@state.gov.

If you have not already done so, you should complete the online immigrant visa application (Form DS-260). Please visit the following website to complete the DS-260 <https://ceac.state.gov/IV/Login.aspx>. After completing the form, please print a copy of the confirmation page (with barcode) to bring to your interview. You must complete an application for each member of your family who plans to immigrate.

Before your appointment day, you must register with a courier service by visiting the following website: <https://ais.usvisa-info.com/en-il/iv>. Instructions on how to register are included in this packet. Registering will allow you to track the delivery status of your documents, especially your immigrant visa when issued. Please note that you will not receive any documentation from our office if you do not register. Registration is not complete until you select a courier (Wassel or Israel Post) according to the instructions below.

Each applicant (including children) must submit original documents with *an original certified translation of any document* that is not in English, Arabic or Hebrew. In addition, as a result of your interview you may be asked to provide a certified translation of documents you submit in a language other than English. You should also provide a PHOTOCOPY of each original document that you submit. If you fail to bring a copy of each original document on the day of your interview, you will be charged an extra fee for copies based on the Department of State Schedule of Fees, currently \$1 each.

For additional instructions, please refer to the Documents Required for Immigrant Visa (Packet 3) at http://jerusalem.usconsulate.gov/useful_links2.html.

You will need to provide the following on the day of the interview for each applicant:

- Your appointment letter
- Your passport valid for at least eight months (please bring passports from other countries and expired passports)
- Two identical photos, 2 inches by 2 inches (~51x51mm) in size with a white background taken within the last six months. Our strict photo guidelines are available at:
<http://travel.state.gov/content/visas/english/general/photos.html>
- Birth certificate
- Birth certificates of all unmarried children who will not immigrate with you at this time.
- Certificate of name change (if applicable)

- ❑ Marriage certificates for current and all prior marriages for both the petitioner and primary applicant (if applicable)
- ❑ Divorce certificates for all prior marriages for both the petitioner and the primary applicant (if applicable)
- ❑ Death certificate (if applicable)
- ❑ Military record (if applicable)
- ❑ Court and prison records (if applicable)
- ❑ Police certificates from your current country of residence and country of nationality if you resided in either for more than six months after the age of 16. You must also provide a police certificate from all countries where you have resided for over a year after the age of 16. All Palestinian ID holders living in the West Bank must obtain a Non-Conviction Certificate from the Palestinian Ministry of Justice AND an Israeli Criminal Register Certificate either from the Israeli DCO (Civil Liaison Office) in the place of their residence or by requesting one online. You should apply for the Criminal Register Certificate at least four weeks before your interview. The Israeli Criminal Register Certificate will be sent to the U.S. Consulate directly by the Israeli National Police. For more information on how to apply for the police certificate please visit the following site: <http://travel.state.gov/content/visas/en/fees/reciprocity-by-country/IS.html>
- ❑ Medical examination reports. Exams must be conducted by a Consulate Panel Physician and you should start the process at least three weeks before your interview. Medical examination instructions are included in this package.
- ❑ Affidavit of support (from the correct category below).
 - For most immigrant visa categories, each petitioner MUST provide an original, signed Form I-864 for each beneficiary along with a copy of his or her current tax returns (Forms 1040 and W-2). In some cases, a petitioner can file an I-864EZ (rather than an I-864) for a beneficiary – please see for full details and requirements (<http://www.uscis.gov/files/form/i-864ez.pdf>). If the petitioner did not file taxes last year, the petitioner should provide an original signed and dated “no tax letter” explaining why he or she did not pay taxes last year (i.e. no earned income).
 - Often the petitioner will not meet the minimum poverty guidelines (<http://www.uscis.gov/files/form/i-864p.pdf>). In such cases the sponsorship requirements can be met by a “Joint Sponsor” who submits an originally signed Form I-864, plus proof of status (e.g., copy of U.S. passport, birth certificate, naturalization certificate, green card etc.) and copy of current tax returns (Forms 1040 and W-2). If the Joint Sponsor files taxes with his or her spouse, we will also need an original signed Form I-864A from the household member unless the sponsor can prove that he or she earned all the income necessary to meet the support guidelines.
 - When filing for children under the age of 18 (IR-2 or CR-2 cases), we simply need an originally signed copy of the I-864W, Intending Immigrant's Affidavit of Support Exemption Form.
 - For DV, E, K, and SB1 applicants, proof that you will not be a financial burden to the U.S. Government such as a Form I-134 (recommended) from a sponsor with the form 1040. Form I-864 is not acceptable.
- ❑ Proof of petitioner’s domicile in the U.S. (family-based immigrants only).
- ❑ High school diploma and/or evidence of work experience (Diversity Visa (DV) only).

□ Immigrant Visa Fees:

- The visa fee for family-based cases is \$325 U.S. Dollars, or in Israeli Shekels at the current Consulate established exchange rate. In many cases this fee has been paid by the petitioner in the United States. If the fee was not paid in the U.S, you must pay the fee on the day of the interview with the consular cashier before you will be interviewed by a consular officer. This fee is in addition to the fee required to file the I-130 petition.
- Diversity Visa (DV) applicants must pay \$330 for each individual included in the case.
- Employment visa applicants must pay \$345 for each individual included in the case.
- SB and WI applicants, special immigrant cases, must pay \$205.
- All fees are non-refundable. Payment can only be made in cash. No personal checks will be accepted. Fees are subject to change based upon the current Department of State Schedule of Fees: <http://travel.state.gov/content/visas/english/fees/fees-visa-services.html>.

INSTRUCTIONS FOR MEDICAL EXAMINATIONS FOR VISA APPLICANTS

U.S. visa regulations require that all immigrant and refugee applicants undergo a medical examination prior to the interview appointment date. Medical exams must be performed by a designated panel physician (complete list below). These physicians have been approved by the U.S. Centers for Disease Control and as such, they are the only doctors authorized to complete the required medical exam required for immigration or refugee processing.

The panel physician will complete several forms, including Form DS-2054, *Medical Examination for Immigrant or Refugee Applicant*, Form DS-3026, *Medical History and Physical Examination Worksheet*, and Form DS-3025, *Vaccination Documentation Worksheet*. In addition, all applicants over the age of 15 will be required to have a chest x-ray (Form DS-3030, *Chest X-Ray and Classification Worksheet*) and blood tests as part of their medical examination. If you have specific questions or concerns about the required medical examination, please contact the panel physicians directly.

PLEASE NOTE: The medical exam results in immigrant visa cases are valid for up to 6 months if there is no suspicion of tuberculosis. The expiration date of an immigrant visa is limited according to the medical exam validity. Because of the time involved in processing immigrant visa cases, if applicants wish to avoid the delays and costs associated with having to renew part or the entire medical exam, they must come prepared to their interviews with all required documents.

Fees Associated with Medical Exams

-Cost of medical examination (administration & review of immunization history)	NIS 420.-	NIS 680.-*
-Cost of blood serology test	NIS 100.-	NIS 200.-*

*Each visa applicant **must** bring to the panel physician copies of his or her medical history, immunization records and prior chest x-rays.*

*Each visa applicant **must** identify himself/herself to the examining physician and to the radiologist by presentation of his/her passport, identity card, laissez-passer or travel document. The doctor and radiologist must then sign the following statement:*
