GENERAL INFORMATION FOR EMPLOYERS OF STUDENTS ON OPTX

The F-1 student who supplied you with this handout is applying for/currently on an Optional Practical Training STEM Extension (OPTX). Students currently on post-completion optional practical training (OPT) who have received bachelors, masters, or doctoral degree (s) in certain STEM (Science, Technology, Engineering, Mathematics) fields may be eligible for a one-time, 17 month extension to their period of OPT. At the University of Houston, the acronym we use to describe this period is OPTX.

Employers of F-1 students on OPTX agree to two main responsibilities as identified in 8 CFR 214.2(f)(10)(ii)(C): (1) reporting to ISSSO at the time of employment termination or departure and (2) employer participation in E-Verify. F-1 students on Optional Practical Training Extensions are only eligible to work for employers who are currently participating in the E-Verify program.

- (1) F-1 students on Optional Practical Training Extensions are also only eligible to work for employers who agree to report their termination or departure to International Student and Scholar Services Office (ISSSO) **within 48 hours** of the employment event. 8 CFR 214.2(f)(10)(ii)(C) defines an OPT worker as *departed* when the employer knows the student has left the employment or if the student has not reported for work for a period of 5 consecutive business days without the consent of the employer, whichever occurs earlier. The information you will be asked to provide includes:

- EMPLOYER NAME
- EMPLOYER ADDRESS
- EMPLOYEE SEVIS ID
- EMPLOYEE NAME
- EMPLOYEE JOB TITLE/POSITION
- DATE HIRED
- DATE TERMINATED
- SUPERVISOR NAME
- SUPERVISOR JOB TITLE/POSITION
- SUPERVISOR CONTACT INFORMATION

If you have any additional questions about reporting employment events to ISSSO, please email sevis@central.uh.edu.

- (2) E-Verify is an internet-based system operated by U.S. Citizenship and Immigration Services (USCIS) in partnership with the Social Security Administration (SSA). E-Verify is currently free to employers and provides an automated link to federal databases to help employers determine employment eligibility of new hires and the validity of their Social Security numbers. Additional information concerning the E-Verify program can be obtained online: <http://www.uscis.gov/e-verify>.

Dear Employer:

The Department of Homeland Security recently revised its regulations on F-1 Optional Practical Training (OPT). The new rule makes F-1 students who have completed a science, technology, engineering, or mathematics (STEM) degree eligible for a one-time 17 month extension of post completion OPT. The employment authorization period for the 17 month OPT extension begins on the day after the expiration of the initial post-completion OPT employment authorization. To be eligible, the student's employer must be enrolled in U.S. Citizenship and Immigration Services' (USCIS) E-Verify employment verification program. In addition, the rule requires the employers to agree to report to the student's designated school official (DSO) within 48 hours after the OPT student has been terminated from, or otherwise leaves, his or her employment with that employer prior to the end of the authorized period of OPT. An employer must consider a worker to have departed when the employer knows the student has left employment, or if the student has not reported for work for a period of five consecutive business days without the employer's consent. In addition, the student must also agree to make periodic reports to the DSO. Attached is 8 C.F.R.214.2(f)(10)(ii)C which contains the regulations governing F-1 students on practical training.

If you agree to the reporting requirements as indicated herein, please attach a job offer letter on your company letterhead containing:

- a) Employer address
- b) Job title/position offered to student
- c) Brief description of job duties
- d) Supervisor name
- e) Supervisor contact information

Also, please sign and return the attached Employer Statement of Understanding.

Employer Statement of Understanding

The employer agrees to report within 48 hours the termination or departure of the employee to the DSO at the International Student & Scholar Services Office at the University of Houston if the employee terminates or departs prior to the end of the authorized period of OPT. The employer shall consider the employee to have departed when it knows that the employee has left the employment or if the employee has not reported for work for a period of 5 consecutive business days without the consent of the employer, whichever occurs earlier.

Consistent with paragraph (f)(11)(i)(C) of this section, a qualified student may apply for an extension of OPT while in a valid period of post-completion OPT. The extension will be for an additional 17 months, for a maximum of 29 months of OPT, if all of the following requirements are met.

(2) The degree that was the basis for the student's current period of OPT is a bachelor's, master's, or doctoral degree in one of the degree programs on the current STEM Designated Degree Program List, published on the SEVP Web site at <http://www.ice.gov/sevis>.

(3) The student's employer is registered in the E-Verify program, as evidenced by either a valid E-Verify company identification number or, if the employer is using a designated agent to perform the E-Verify queries, a valid E-Verify client company identification number, and the employer is a participant in good standing in the E-Verify program, as determined by USCIS.

(4) The employer agrees to report the termination or departure of an OPT employee to the DSO at the student's school or through any other means or process identified by DHS if the termination or departure is prior to end of the authorized period of OPT. Such reporting must be made within 48 hours of the event. An employer shall consider a worker to have departed when the employer knows the student has left the employment or if the student has not reported for work for a period of 5 consecutive business days without the consent of the employer, whichever occurs earlier.
