

NEW Make 'n' Take Chemistry Activities and Demonstrations

Sponsored by
The Salem State Collaborative

Presenters: Bette Bridges, Educational Consultant and Retired Chemistry Teacher
Harvey Gendreau, Educational Consultant and Retired Chemistry Teacher

Location: Peabody High School, 485 Lowell Street, Peabody, MA 01960

Audience: Grades 7-12 Science Teachers (Chemistry Content)

Time: 8:15-2:15 PM (lunch included)

Date: 17 November 2009

PDP's: 5 for the session

Fee: \$35 for Member Districts \$105 for non-Member Districts

Description: This workshop is filled with new and exciting chemistry demonstrations and activities. Two master chemistry teachers will share a whole new set of their best activities, demonstrations, labs, hooks, and hints from their 70+ years experience in science education and professional development. If you came to their workshops last year, come again and learn another set of activities to add to your program. Attendees will get to make some innovative and useful chemistry demonstration equipment from common materials. They will also get content area PDPs and a wealth of knowledge all in a one-day format. All activities are standards based and hand-outs will be provided.

Registration Information:

Please register at our website www.salemcollaborative.org, or email the following information to Jim Kearns at registration@salemcollaborative.org. If you have registration questions, please either email (preferred) or call Jim at 781-771-4860.
