FARMER'S DAY HONORARY PARADE MARSHAL

Philip Gregg

Philip Gregg was born and raised a Prestonian. He graduated from Masontown Valley High School. He took two years of meat processing courses from WVU and sausage and curing courses from Iowa University. He was employed by Consol as a mechanic and tug boat operator for thirty years.

His heart has always been in Agri-business in which farming is a part. His number one priority was always to be in meat processing. He built a USDA animal slaughtering and processing plant in 2006 called Preston Packing, Inc. Preston Packing was rated by KOCH, LLC and AAMP as one of the Top 10 "State of the Art" small meat processing facilities in the United States. He and his wife Janet are members of the (PAMP) Pennsylvania Association of Meat Processors and (AAMP) American Association of Meat Processors.

Philip was an officer in his FFA chapter in high school and is now a member of the FFA Alumni Association. He also received his State Farmer Degree. He had won the Reserve Grand Champion Steer at the WV State Fair in 1966. He was a member of the Masontown Valley Young Farmers and was President of the WV Young Farmers. He is a lifetime member of the National Young Farmers. He has received two Honorary FFA Chapter Degrees. He and his wife also received the "Community Service Award" from WV Young Farmers Association in 1979 and the "Great American Family" Community Service Award from Preston County Extension Homemakers in 1987. He is currently serving as President of the Preston County Farm Bureau, he is a member of the Preston County Extension Service Committee, and is also serving on the WV Farm Bureau Board of Directors. Philip also serves on the Vocational Crafts Committee for Preston High School.

He has been active in the Preston County Buckwheat Festival since 1964, from showing steers and hogs when in high school, to volunteering on the Livestock Sales Committee since 1976. Additionally, he and his brother Ted own a one hundred and fifty acre farm in Masontown on which he raises cattle, sheep and a variety of other animals.

Philip and Janet (Shaffer) Gregg are members of St. Zita Catholic Church and are the proud parents of two children, Chris Gregg of Masontown and Jennifer (Brian) Spiker of Kingwood. They also have six grandchildren, Bailey, Jacob, Liliana Gregg and Sydney, Samantha and Levi Spiker.

Philip would like to take this opportunity to give a "Thank You" to the agricultural community of Preston County for this special honor.

KING BUCKWHEAT 70th

Hadley Wilson

Hadley Wilson is the son of Chip and Stephanie Wilson of Bruceton Mills. He has a deep love for history, and was awarded the West Virginia Golden Horseshoe award in 2008. Hadley is a member of the Sugar Valley United Methodist Church. He is an active member of 4-H, FFA, and The Preston County Livestock Association. Hadley has served as treasurer for Lenox Loyal Workers 4-H club for many years. He has attended numerous 4-H camps, including West Virginia state camps at Jackson's Mill.

Hadley Wilson

Hadley is very involved in the Preston High FFA chapter, where he has served as treasurer for the past two years, and now serves as president of the chapter. Hadley has exhibited products at the chapter's Ham, Bacon and Egg show, and has competed in extemporaneous speaking contests. Hadley was awarded the Greenhand, Chapter, and State FFA degrees, and plans to receive his American Farmer's degree in a few years. He attended the national FFA conference in Indianapolis, Indiana, and was named Regional Star Farmer for 2011. Hadley has competed in Land and Stockmen judging teams for FFA. In 2010, he won the state Small Tractor Driving Competition.

Hadley has also raised market hogs for the festival since he was in the third grade. He has enjoyed raising market hogs, but has decided to exhibit a market steer this year. On the family farm, Hadley owns a cow-calf operation as well. He recently purchased his own John Deere tractor to help out on the farm. Hadley hopes to one day take over the family farm and then pass it on to the next generation.

Hadley's plans for the future are still incomplete.

Beatrice “Bea” Plum Criss Memorial

Bea Criss

Bea Criss was an amazing Preston County Resident. She was very involved in the Preston County Buckwheat Festival with entering exhibits. She won many many ribbons and a few Best of Shows. Her entries included the categories of Canned Goods, Needlework, and Baked Goods. Not only did she enter exhibits, she also taught canning classes, made wedding cakes for family and friends around Preston County and her needlework graces many homes of family and friends.

Bea passed away in November 2008 and her missing exhibits were felt by all in Memorial North. In her honor a memorial fund was established. This would give special ribbons and prize money to the individuals who exhibited the most entries in the following categories: Baked Goods, Canned Goods, and Needlework. Plus a special ribbon and name on a plaque for the individual who brought in the most in all three categories.

In 2010 we had the first Memorial Winners: Opal Myers, from Aurora-with 12 items for the most entries in Baked Goods, Juanita Clark, from Rowlesburg-with 15 items for the most entries in Canned Goods, and Helen Sparenburg from Rowlesburg-with 9 items for the most entries in Needlework. For the special ribbon and name on the plaque, Opal Myers, with 13 items for the Most Exhibits Overall in all three categories.

The plaque will be housed in Memorial North and was purchased by the Preston County Community Education Outreach Service (CEOS) and the Beatrice Plum Criss family.

ENTRY INSTRUCTIONS

Entry in the Preston County Buckwheat Festival is very simple. Upon registration, you will be issued an entry number and a general entry card. This entry number will be your identification throughout the Buckwheat Festival.

Here's how it works:

No matter what you enter in the Buckwheat Festival, you will have to have an entry number (except the pet show).

Just report to the entry desk at the Memorial North Exhibit Building beside the Cow Palace to get entry numbers for **Departments, O, P, Q, R, S, T, U, V, W, X, Y.** You will receive the number of tags needed for all entries in the Exhibit Building. You then need to write your name and hometown on the ticket and attach the tag to the exhibit. **ENTRY STUB MUST BE PRESENTED TO PICK UP EXHIBIT ON SUNDAY.**

All livestock and judging entrants must pre-register on the form in the Premium List. This category includes **Departments A, B, C, D, E, F, G, H, I, J, K, L, N.**

Your entry number for livestock will be entered on your general entry card. The general entry card will contain your name, address (complete), phone number, and all classes you plan on entering. This information will be printed legibly.

The purpose of this, is when you enter anything in livestock, all that needs to be recorded is your entry number. This way the premium money can be better organized. This will reduce the chance of you not receiving your prize money because we can't read your writing.

Simply what happens is that we exchange your name for an entry number. When the prizes are awarded, we exchange the number for your name and address.
