Dear Dog Park Enthusiast,

A group of dedicated volunteers are diligently working to develop an off-leash dog park in Bellevue.

An off-leash dog park is a public park, typically fenced, where people and their dogs can play together. As the name implies, these parks offer dogs off-leash play areas where their owners can enjoy a park-like setting and the chance to socialize with other canines and their owners. Dog parks are being established all over the country and offer a wealth of benefits to dogs, dog owners and the community as a whole.

Off-leash dog parks are more than just a place for dogs to run and roam. They offer the following benefits: opportunities for dogs to exercise and socialize safely, promotes responsible dog ownership, provides an outlet for dog owners to socialize and makes for a better community by promoting public health and safety.

To develop an off-leash dog park in Bellevue we are seeking to raise funds privately. Our goal is to raise \$250,000. A fully developed site will include a fenced off-leash dog area, open pavilion, playground, trails and off-street parking. In order to construct this facility we need your help! Please consider making a tax-deductible contribution to our project. Below, you will find a contribution form that you may return to us at the Village Offices.

Sincerely,

Laura Mossakowski
