Be ready to shine on January 23rd. There is no time to waste.

Get your "acts" together now! This is a show for everyone in grades K - 5 - no child is turned away from the opportunity to participate. We're also inviting children who want to display a visual piece of art or craft, not just a performing art piece.

In fact, this year, we have a special Eco-Friendly visual category for Reusable Ideas and Inventions. You can display something that you create by reusing everyday items.

Remember, it's not a contest - no judging is involved.

Only admiring!
