

Supply List 4yr. Kindergarten

2 boxes of Crayola Classic Markers

Broad Tip (the fat markers -not fine line)

1 box will be shared in the art corner with classmates.

1 box will be for your child. On this box, please write your child's name on each marker.

It is our experience that the Crayola brand lasts for the entire school year. Other brands do not hold up and you may have to replace them. Also, please buy the "Classic Colors." If your child is asked to color something "red" and they have pastels this causes confusion.)

2 black dry erase markers

These are used daily for writing letters, numbers etc.

2 large glue sticks- 22 oz.

The smaller glue sticks tend to break and do not last. Again these will be used individually and in our art center. Please mark one of the markers with your child's name.

1 child size Fiskars scissors

Please mark this with your child's name.

1 box gallon zip loc bags

Your child will bring home books nightly. Each book will be in a zip loc bag to protect our books.

1 bag personal clothing

In case of a bathroom accident, we would like a change of clothing for your child.

This should include pants, shirt, underwear and socks. Place these items in a zip loc bag marked with your child's name

1 large regular size back pack
