

BOARD AGENDA FORM

Subject: School Improvement Advisory Committee (SIAC) appointment

Prepared by: Mandy Ross, Associate Superintendent

Action Requested: Approval of membership as part of Consent Item(s)

Executive Summary: According to Iowa Code section 280.12(2), the Board shall appoint and charge a school improvement advisory committee to make recommendations to the Board. The SIAC makes recommendations to the Board on topics such as educational needs, and student learning goals related to the state indicators that address reading, math, and science achievement. Additionally, the SIAC will address bullying or harassment prevention. By Iowa Code, SIAC is required to meet once a year.

Recent changes require SIAC to be gender balanced, which required recruiting members to ensure equal numbers of males and females. The membership recommended for approval includes 12 males and 17 females. The gender balance requirement allows for this variation.

Continuing with last year's change, the District Multi-Cultural Gender Fair (MCGF) Committee members are included in SIAC to provide them with broader context and understanding of the work of the District.
