# Monmouth Council Project Sales Booklet

**Monmouth Council Boy Scouts of America** 

705 Ginesi Drive Morganville, NJ 07751 732-536-2347 www.monmouthbsa.org

Many people think of a business' annual budget in terms of dollars for broad categories such as employee salaries or paying the monthly utility bill – but for a Boy Scout council, it is much more.

Instead think of the council's annual budget as the ink and paper needed for a flier distributed at a school to educate boys and their parents about the fun and adventure of Cub Scouting. It is the tents a scout sleeps in while on his adventure at Forestburg Scout Reservation. It is the labor and materials needed to renovate a building at Quail Hill Scout Reservation. Project sales and gifts in kind can be an integral part of helping the Monmouth Council deliver quality programs and services to our community.

#### Project sales help...

- Identify special sources of income
- Interest new contributors in specific line items of the budget
- Upgrade existing contributions to new levels of giving

You can help support the Monmouth Council provide vital services and programs to Scouts, volunteer leaders and chartered organizations through your annual Friends of Scouting gift by supporting a specific budget or donating a needed item.

#### **Notes**

#### **Project Sales Outline**

#### **Definition**

The premise of project sales is to sell a part of the operating budget to an organization, corporation, or individual. For example: an organization interested in camping might pay for the cost of a camp brochure. A group interested in education might pay for a portion or all of the professional development courses for our staff. Only projects that are reflected in the Monmouth Council operating budget qualify as project sales.

For more information on Monmouth Council Project Sales, please contact the council at 732-536-2347.

Occasionally an individual or business may have an interest in Scouting and be willing to contribute a gift of supplies, that are in the Council operating budget, in lieu of a cash contribution. Once again, only items in the budget will receive project sales credit.

Project Sale Example: A company offers to contribute cases of paper for our internal printing operation. Instead of going to an outside vendor for the same item, we can now use this gift and as a result save the Council's cash for other items. Also, a company can provide the cash value for the purchase of that item. All donors are acknowledged for their support.

Gift in Kind Example: A person donates a row boat for camp. Although it may be needed, it may not be currently budgeted. Although we may decide to accept it and use it, the donation does not support the operating budget and would not be credited as a Project Sale, rather it would be considered a "Gift in Kind". All donors are acknowledged for their support.

**NOTE:** Project Sales and Gifts-In-Kind rely on a strict time schedule using materials and resources which the Council needs on a timely basis. Funding a project after it is complete is not practical and would provide no relief to the council budget.

<u>Item</u>	Quantity	Approx. Cost each
Color printer Cartridge	1	\$400
(One year supply 2)		(\$800)
Postage for year		\$13,500

**Youth Recruitment Materials Project Sales** 

Item	Quantity	Approx. Cost
Join Cub Scout Recruitment Fliers	50,000	\$1,000
