

**Black Gold District Outstanding Scouter Award  
Nomination Form**

The Unit Leader Award of Distinction is presented each year to one nominated Scout leader from each functioning unit (pack, troop, and/or crew) within the Black Gold District. This person is chosen by the other leaders within that unit -- they nominate their selectee by completing this form and submitting it to the Unit Leader Award of Distinction committee chair. The award is then announced and presented at the annual **Black Gold District Dinner**, to be held in **Nashville, February 20**. Award selectees must be nominated by their units to be considered.
