

Name \_\_\_\_\_

Date Assigned \_\_\_\_\_

C1 Unit 1 - #2

This 100-chart can be used to help explain prime and composite numbers...

1	2	3	4	5	6	7	8	9	10
11	12	13	14	15	16	17	18	19	20
21	22	23	24	25	26	27	28	29	30
31	32	33	34	35	36	37	38	39	40
41	42	43	44	45	46	47	48	49	50
51	52	53	54	55	56	57	58	59	60
61	62	63	64	65	66	67	68	69	70
71	72	73	74	75	76	77	78	79	80
81	82	83	84	85	86	87	88	89	90
91	92	93	94	95	96	97	98	99	100

**Parent's Name** (print) \_\_\_\_\_

Dear Parent,

After your son/daughter has explained to you what **prime numbers** are, and what **composite numbers** are, and given you examples of each, please fill out the following (thanks for your help):

I now understand that a **prime number** is \_\_\_\_\_

\_\_\_\_\_.

I now understand that a **composite number** is \_\_\_\_\_

\_\_\_\_\_.

Practice using the **divisibility rules**:
