

URGENT/OVERNIGHT MAIL REQUEST (FedEx)

Date Submitted:

INSTRUCTIONS (Type or print): Send this form (original and one copy) with your package(s) to the AMI-700 Mail & Distribution Screening Facility, Building 229. If you have multiple packages with the **exact** recipient information, submit (1) one form and indicate the "Number of packages shipped" in the section below. You may place letter size, small and lightweight items in your regular **OUTGOING** mail. If you have heavy weight items (boxes, large packages etc.) or multiple shipments, you may call extension **4-3771** for a "special pick-up".

SPECIAL PICK-UP REQUESTS MUST BE CALLED IN BEFORE 2:30 PM.

FedEx picks up daily at 3:00 PM and all outgoing shipments must be processed by that time. Please fill in all applicable fields for delivery info (room #, floor, suite and routing codes Wash DC is a MUST). Federal Express highly recommends that the "Recipients" telephone number be placed on all packages. For International shipments include City, Province and Country in the fields. If you have questions on shipments you may contact Distribution at **405-954-3771**.
