Elmwood Park C.U.S.D. #401

Parent/Student Sign-off Sheet

Please fill out one sign-off sheet per student and return to the school no later than five (5) school days after your first day of classes.

UNDERSTANDING AND ACCEPTANCE OF STUDENT HANDBOOK POLICIES AND PROCEDURES

Every student receives a Student Handbook during the opening week of the school year. Teachers and the school administration have discussed the contents with all students. **Read the handbook and policies carefully so that you are aware of the procedures and rules. We will refer to its contents with students, throughout the year.** This Handbook outlines our rules and expectations for your child. In a sense, it then becomes a contract between parent, student and school. We, therefore, request both a parent and student signature indicating the awareness of the contents of this Handbook and District Policies. Each school may have a directive that is specific and pertinent to their grade levels. Be sure to review your child's school handbook. These are designated policies required for the student handbook. All Board Policies are available to the public at the District Office and online on the District's website. **Please return this sign-off sheet no later than the five (5) school days after your first day of classes.**

PART 1: DISTRICT POLICIES FOR STUDENT HANDBOOKS

All District student handbook policies are posted on our website epcsd401.org "District Policies for Student Handbooks." Hard copies are available in the office at each school. The handbook Board Policies may be amended by Board approval during the year.

PART 2: CELLULAR PHONE ACCEPTABLE USE POLICY AND PARENTAL PERMISSION

Using a cellular telephone, video recording device, personal digital assistant (PDA), or other electronic device in any manner that disrupts the educational environment or violates the rights of others, including using the device to take photographs in locker rooms or bathrooms, cheat, or otherwise violate student conduct rules is prohibited. Unless otherwise banned under this policy or by the Building Principal, all electronic devices must be kept powered-off and out-of-sight during the regular school day unless: (a) the supervising teacher grants permission; or (b) use of the device is provided in a student's individualized education program (IEP).

Each school has different guidelines/restrictions regarding cell phone use (especially Elm Middle School and the High School). Please be sure you review these guidelines with your child(ren).

PART 3: PUBLICATION OF STUDENT PHOTOS

I understand and acknowledge that from time to time, Elmwood Park Community Unit School District 401 may publish student photographs or images in various school publications. Publications in which my child's photograph or image may appear include, but are not necessarily limited to, the yearbook, school brochures, video recordings, the school newspaper and the District's website. I understand that information posted on the District's Internet site will be available to all users of the Internet. I also understand that District 401 cannot restrict either the scope of the audience or the use of such information by visitors to the District's Internet site. I understand that I have the opportunity to inspect, copy and challenge the contents of the above-described information. I understand that unless I request in writing that I do not want such information released, District 401 may publish photographs or images of my child that do not identify my child without my consent. I further understand that in order for District 401 to publish a photograph or image of my child with identifying information, I must give my written consent.

PART 4: ELECTRONIC COMMUNICATION

Students and their parents should carefully review Board Policy 6:235 *Acceptable Use and Internet Safety* regarding permissible use of District technology resources. Parents and students should sign this Agreement where indicated to evidence their agreement to follow the District's rules and regulations as set forth in the Acceptable Use and Internet Safety Policy. Students will be allowed to use District technology resources, including computers and access the Internet, pursuant to the Acceptable Use and Internet Safety Policy after they have returned this Agreement signed by the student and his/her parent or guardian. Please retain the attached Policy or refer to the online policy for future reference.

PARENT(S)/GUARDIAN(S)

I have read and I understand the School District’s Acceptable Use and Internet Safety Policy. I understand that the District's technology resources, including the District’s network and access to the Internet, are for educational purposes only. I agree to instruct my child accordingly. I further agree to indemnify and hold harmless the Board of Education, its Board members, and the Board’s employees and agents for any harm caused by my child’s use of the District’s technology resources. However, the District may disclose appropriately designated "directory information" without written consent, unless you have advised the District to the contrary in accordance with District procedures. - The annual yearbook;
- Honor roll or other recognition lists;

Outside organizations include, but are not limited to, companies that manufacture class rings or publish yearbooks. In addition, two Federal laws require local educational agencies (LEAs) receiving assistance under the Elementary and Secondary Education Act of 1965 (ESEA) to provide military recruiters, upon request, with three directory information categories - names, addresses and telephone listings - unless parents have advised the LEA that they do not want their student's information disclosed without their prior written consent.
