GCSE Subjects and Predicted Grades

Subject	Expected Grade	Subject	Expected Grade
English Language			
English Literature			
Maths			
Science			
ICT			

Entry Requirements:

Please refer to page 19 of this prospectus for requirements. Please remember that acceptance on courses are primarily judged on GCSE grades, but can be judged on an individual basis. Some subjects reserve the right only to accept students who have gained a B grade or above in their subject area at GCSE on their courses.

Courses Available:

Overleaf you will find a list of the courses that we expect to run in September 2012. You can apply for A-Levels, BTECs or a combination of the two. Please refer to the Pathways Table on page 19 of this prospectus for information on how many subjects you should apply for. Please number the courses you are applying for in order of preference.

Please note that timetabling considerations, or low student numbers, may mean certain combinations are not available.
