Coordination of Benefits Special Instructions

Primary Insurance carrier

You must first submit the claim to the primary insurance carrier.

Once you receive the statement or explanation of benefits (EOB) from the primary carrier, complete this form, tape the prescription receipts above, and attach the statement or EOB from the primary carrier, which clearly indicates the cost of the prescription and what was paid by the primary carrier.

Primary Prescription Drug Program

Retail and mail-order pharmacy: If the primary carrier is a prescription drug program, one in which a copayment or coinsurance is paid to the pharmacy, then no EOB is needed. Just complete this form and attach the prescription receipts or statement of benefits that show the copayment or coinsurance amount paid to the pharmacy. The receipts will serve as the EOB.

- * California: For your protection California law requires the following to appear on this form: Any person who knowingly presents false or fraudulent claim for the payment of a loss is guilty of a crime and may be subject to fines and confinement in state prison.
- * Pennsylvania: Any person who knowingly and with intent to defraud any insurance company or other person, files an application for insurance or statement of claim containing any materially false information or conceals for the purpose of misleading, information concerning any fact material thereto, commits a fraudulent insurance act, which is a crime and subjects such person to criminal and civil penalties.
