

Medical Interventions Speakers

Rolanda Maxim, MD

Dr. Maxim is a Board-Certified Developmental Pediatrician, Assistant Professor of Pediatrics, and the Director of the Program for Autism Spectrum Disorders at the Knights of Columbus Developmental Center at SSM Cardinal Glennon Children's Medical Center, a designated Missouri Center of Excellence for the treatment of Autism Spectrum Disorders.

John Constantino, MD

Dr. Constantino is an Associate Professor of Psychiatry and Pediatrics at the Washington University School of Medicine in St. Louis. He has served as Director of Child Psychiatric Residency Training at Hawthorn Children's Psychiatric Hospital, and maintains an active child and adolescent psychiatry clinic at Washington University. He directs federally-funded research in social development in children that includes a large autism program, as well as studies on the prevention of maltreatment and the identification of genetic susceptibilities to antisocial behavior.

Petra Swidler, MD

Dr. Swidler is an Instructor at Saint Louis University School of Medicine and a Geneticist at SSM Cardinal Glennon Children's Medical Center. Her interests include medical genetics and developmental and behavioral pediatrics.
