## Purpose of this Form

The U.S. Government conducts background investigations to establish that applicants or incumbents either employed by the Government or working for the Government under contract, are suitable for the job. Information from this form is used primarily as the basis for this investigation. Complete this form only after a conditional offer of employment has been made.

Giving us the information we ask for is voluntary. However, we may not be able to complete your investigation, or complete it in a timely manner, if you don't give us each item of information we request. This may affect your placement or employment prospects.

## Authority to Request this Information

The U.S. Government is authorized to ask for this information under Executive Order 10577, sections 3301 and 3302 of title 5, U.S. Code; and parts 5, 731, and 736 of Title 5, Code of Federal Regulations.

Your Social Security Number is needed to keep records accurate, because other people may have the same name and birth date. Executive Order 9397 also asks Federal agencies to use this number to help identify individuals in agency records.

## The Investigative Process

Background investigations are conducted using your responses on this form and on your Declaration for Federal Employment (OF 306) to develop information to show whether you are reliable, trustworthy, and of good conduct and character. Your current employer must be contacted as part of the investigation, even if you have previously indicated on applications or other forms that you do not want this.
