Key issues or discussion: Discussed many policy issues facing broadband providers and consumers today. Two separate opportunities were discussed, one being the Bibb County jail, and the other being the construction of the Fayette County jail. Both of these present different opportunities to improve the efficiency, safety, and convenience of their systems. Next Meeting will be a Conference Call scheduled for Thursday, April 5 at 1pm.

Time Meeting Ended: 12:00pm

Next Meeting: April 5, 2012 (Conference Call)
