

TRAINING AND PROFICIENCY RECORD - AIR TRAFFIC CONTROLLER

For use of this form, see FM 3-04.303; the proponent agency is TRADOC

GENERAL INFORMATION

This form consists of Sections I through VII. It will be used as an authoritative source of information and reference in regard to the individual's training record as an air traffic controller in the United States Army and as a comprehensive training progress report. The ATC Chief/ATC SR SGT/PSG/facility chief or the training NCO/supervisor shall record the required entries within this form.
