About the ITAOP/savePDF Method

The traditional Field-by-Field creation process is extremely ineffective and slow.

The only realistic option to create high-quality forms is the Insert-Text-Anywhere-on-Page (ITAOP) method.

The field creation process is about 10,000 times faster than the traditional method; the list of ITAOP features is not even available for the traditional method.

ITAOP savePDF method proved to be very simple and completely reliable for millions of users all over the world (incl. individuals, companies, organizations, government employees). The public reporting burden for this collection of information is estimated to average 10 minutes per response, including the time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed, and completing and reviewing the collection of information. Send comments regarding this burden estimate or any other aspect of this collection of information, including suggestions for reducing the burden, to the Department of Defense, Executive Services Directorate (0704-0020). Respondents should be aware that notwithstanding any other provision of law, no person shall be subject to any penalty for failing to comply with a collection of information if it does not display a currently valid OMB control number.

PLEASE DO NOT RETURN YOUR COMPLETED FORM TO THE ABOVE ORGANIZATION. RETURN COMPLETED FORM TO THE UNIFORMED SERVICE ID CARD ISSUING FACILITY.

AUTHORITY: 10 U.S.C. sections 1061 - 1065, 1072 - 1074, 1074a - 1074c, 1076, 1076a, 1077, 1095(k)(2), E.O. 9397.

PRINCIPAL PURPOSE(S): To apply for the Uniformed Services Identification Card and/or DEERS Enrollment.

ROUTINE USE(S): To appropriate business entities, individual providers of care, and others, on matters relating to claims adjudication, program abuse, utilization review, professional quality assurance, medical peer review, program integrity, third party liability, coordination of benefits, and civil and criminal litigation.

To the Department of Health and Human Services, the Department of Veterans Affairs, the Social Security Administration, and to other Federal, state, and local government agencies to identify individuals having benefit eligibility in another plan or program.

Applicant information is subject to computer matching within the Department of Defense or with other Federal or non-Federal agencies. Matching programs are conducted to assure that an individual eligible under a Federal program is not improperly receiving duplicate benefits from another program. A beneficiary or former beneficiary who has applied for privileges of a Federal Benefit Program and has received concurrent assistance under another plan will be subject to adjustment or recovery of any improper payments made or delinquent debts owed.

DISCLOSURE: Voluntary; however, failure to provide information may result in denial of a Uniformed Services Identification Card and/or non-enrollment in the Defense Enrollment Eligibility Reporting System. Failure to provide a beneficiary's Social Security Number renders that beneficiary ineligible for health care services in Military Treatment Facilities. However, emergency health care services will be provided to the extent furnished members of the general public.

SECTION VIII - CONDITIONS APPLICABLE TO SPONSOR OR APPLICANT

I understand that the actions of the recipient(s) of the "Uniformed Services Identification Card" issued as a result of this application are my responsibility insofar as proper use of the card for benefits and privileges authorized; i.e., medical and dental care, exchange, commissary, and morale, welfare, and recreation programs. I will cause the recipient to surrender the card immediately upon call to do so or when appropriate under applicable regulations, and will notify an agency designated to grant authorization for privileges and facilities in event of any change in status affecting a recipient's eligibility therefor.

I am aware that medical care furnished in uniformed services facilities is subject to availability of space, facilities, and the capabilities of the medical staff to provide such care. Determinations made by the medical officer or contract surgeon, or his/her designee, as to availability of space, facilities, and the capabilities of the medical staff shall be conclusive.

Reimbursement shall be required for any unauthorized medical and dental care furnished at government expense. Copies of regulations concerning eligibility requirements are available in the Service Personnel Offices.

By signing this document, the sponsor or applicant certifies that he/she is aware that eligibility for benefits under the Civilian Health and Medical Program of the Uniformed Services (CHAMPUS) terminates for all beneficiaries, except spouses and children of active duty members, and certain disabled beneficiaries under 65, when the beneficiary becomes eligible for Medicare Part A, Hospital Insurance, through the Social Security Administration.

PENALTY FOR PRESENTING FALSE CLAIMS OR MAKING FALSE STATEMENTS IN CONNECTION WITH CLAIMS: FINE OF UP TO \$10,000 OR IMPRISONMENT FOR UP TO FIVE YEARS OR BOTH.
