STEP 5: Home Swim Meet Participation

I understand that it is **mandatory** for each family (non-swimmer) to work 1 session for each meet day. Meets are divided into 2 sessions per day. A 2 day meet requires 2 sessions of work – A 3 day meet requires 3 sessions of work per family. Volunteer sign up will be on-line approximately 3 weeks prior to a meet. I further understand that if our family does not work the required sessions we will be assessed a **\$50.00 non participation fee for each session missed**. Work is required of all active members regardless if swimmer is participating in meet. A typical session will last 4 hours – volunteers are required to stay until session is complete.
