INSTRUCTIONS

1. This form will be used for clothing issues under the monetary or in-kind allowance systems. It may also be used for issues made on a cash or checkage basis. Each form must be approved by the individual's commanding officer (CO) or other officer authorized in writing to sign by by-direction.

2. INITIAL OR SUPPLEMENTARY ISSUES

Upon completion, in accordance with MCBul 10120 (Individual Clothing Allowances), a NAVMC 604/604B used as an individual clothing request for initial or supplementary issue will be submitted to the individual's immediate CO for approval. The form will then be forwarded to the clothing officer or the appropriate Retail Clothing Outlet (RCO)/Military Clothing Sales Store (MCSS). If used as an issue slip at an RCO/MCSS, the form will be used as follows:

RCO - Original form will be annotated with the Functional Account Number (FAN) and filed in support of the RCO's copy of the expenditure transaction. A copy of the NAVMC 604/604B will be forwarded to the individual's CO for appropriate entry into the individual's clothing record (Form NAVMC 631/631A).

MCSS - Original form will be annotated with the FAN, attached to the Standard Form (SF) 1034 (Public Voucher for Purchases and Services Other Than Personal), and if applicable, forwarded to the Defense Finance and Accounting Service (DFAS) for reimbursement. A copy will be retained by the MCSS and another copy provided for the individual's CO to make appropriate entry on the NAVMC 631/631A.

3. REPLACEMENT ISSUES

Upon completion, a NAVMC 604/604B used as an individual clothing request for an in-kind replacement issue will be forwarded to the individual's CO for approval. A copy will be provided for the individual's CO for appropriate entry on the NAVMC 631/631A.

4. CHECKAGE SALES

A NAVMC 604/604B used as an individual checkage request must include monetary values of the items to be sold. The individual's CO shall write the word "Certified" in the block to the right of the annotated "CHECKAGE SALE" block. At the time of sale, the individual drawing the clothing will be required to sign the original, consenting to the checkage. If used as checkage request at an RCO/MCSS, the form will be used as follows:

RCO - After issue is completed, the RCO will maintain a copy of the checkage request and prepare a form NAVMC 604A (Transmittal of Clothing Issue Slips) in quadruplicate. The original and two copies of the NAVMC 604A will be forwarded to the individual's CO or Disbursing Officer (depending on local SOP) with the original NAVMC 604/604B checkage request. The Unit Diary Section/Disbursing Officer will enter the Transcript of Data Extraction (TODE) and date on a copy of the NAVMC 604A, authenticate the certificate portion of the form, and return this copy to the RCO to be filed with the RCO's copy of the checkage request.

MCSS - After issue is completed, the MCSS will forward the original checkage request, attached to a SF 1034, to the local Disbursing Officer. The Disbursing Officer will enter the TODE and authenticate the certificate portion and forward to DFAS for reimbursement.
