The George Mason Chapter of the Sons of the American Revolution held their holiday meeting on Dec. 8, 2015 at DeSha's Restaurant in Maysville. They were joined by members of the Limestone Chapter DAR and Limestone Society C.A.R. President David Cartmell opened the meeting by welcoming the members and guests.

The evening's program honored local winners of the Americanism Poster Contest. Contest Chairman Mark Humphries introduced the winners and their families. First place was awarded to Cooper Rolph. Second place was awarded to Carson Pugh. Both are students at Mason County Intermediate School.

On Dec. 5-6, the annual Frontier Christmas festival was held in Old Washington. SAR members volunteered to help the Limestone Chapter DAR with their food sales at Paxton Inn. The DAR wants to publicly thank Frank Allison for coordinating the food sales. It was a tremendous job!

## Colonel Stephen Trigg Chapter

the Col. Stephen Trigg Chapter recognized participants from the North Calloway Elementary School in Murray, Kentucky, for their participation in the annual SAR Poster Contest. Ninety-six fifth-graders made posters as a class assignment and were included in the contest. The school winner was Elizabeth Morrow. She received a Bronze Medal, a copy of the book, *Battle of Blue Licks*, and a twenty dollar cash prize. In addition, her poster will go up against the school winner from Southwest Elementary School in Murray to represent the Col. Stephen Trigg Chapter in the Kentucky Society competition. Here is a photo of Elizabeth with Chapter President Geoff Baggett and her winning poster.

Chapter members also dressed up some of the students while giving their Revolutionary War in a trunk presentation.

Three Compatriots of the Col. Stephen Trigg Chapter traveled to Murray, Kentucky, today to present the “Revolutionary War in a Trunk” presentation to three fifth-grade classes at the Southwest Elementary School. Steve Mallory and Bob Sholly accompanied Geoff Baggett in leading an energetic, fun-filled living history presentation. Amazingly, the county superintendent of schools gave permission for our teaching team to bring a flintlock rifle into class to provide a truly authentic historical experience! Steve was able to show the mechanism and action of a flintlock. As it turns out, the teacher thought we were going to take everyone outside and fire the rifle! Everyone was disappointed that they didn’t get to hear the big boom!

### Veterans Honored

**Veteran Honored:** Geoff Baggett and Steve Mallory with Maj. Herbert Lee Segler, Jr., wearing his Bronze Good Citizenship Medal.

Compatriot Geoff Baggett honored a very special World War II veteran today with the chapter's ***Veteran's Appreciation Medal***. Frosty Martin, a native of Trigg County, served in the United States Navy during the war.

Steve Mallory and Geoff Baggett displaying over \$500 worth of Christmas gifts for the men of the Pennyroyal Veterans Center in Hopkinsville. The purchases were made possible by a \$500 gift from the Kentucky Society that is allocated for Veterans causes in each yearly budget. The Pennyroyal Veteran's Center provided a detailed "wish list" of needs for the men, including items such as winter coats, gloves, hats, underwear, t-shirts, socks, umbrellas, and house slippers. It was amazing how quickly and easily \$500 was spent! But these gifts will make for a very Merry Christmas for the men of the veteran's facility in Hopkinsville.

## Patriot Ancestor Bio Program by Doug Collins

KYSSAR Compatriots:

As you may or may not be aware, I have been the Chairman of the Patriot Ancestors Biographies Committee since 2014. President General Lindsey Brock stated in his address at his inauguration in Greenville, the Patriot Biographies database would be one of the focus areas of his administration. To support this program, which has been endorsed by his successor – PG Tom Lawrence, we ask that you send a biographical sketch of your ancestor(s) to [patriotbios@sar.org](mailto:patriotbios@sar.org).

The information should be provided in a file that is Microsoft WORD compatible. The data will then be merged into the Patriot and Grave Index. As of December 21, 2015, approximately 4,000 biographical sketches have been loaded to the Patriot and Grave Index. It is our hope that we continue to build this database to serve two purposes.

**We honor our patriot ancestor by telling their story.** As we all know, too much of our history is lost, or is in danger of being lost to the ages. This is one avenue where we can make a difference. In the 1894 Kentucky Society Yearbook, Thomas Page Grant wrote about the establishment of the Sons of the American Revolution, “The men whose forefathers took part in the establishment of the Nation were naturally drawn together, and in some of the older States formed themselves into societies to gather scatter bits of history and save them for coming generations; to preserve alive a memory of the men who gave so much for country and paid so dear a price for liberty; to inculcate in the minds of the rising generations a knowledge of what they fought for, and a love of the principles they held so dear. “

Now, over one hundred and twenty years later, we can do just what Compatriot Grant described. In collaboration with the Patriot and Grave Index, we are able to attach a biography supplied by you to ancestors in that database. The goal of the Committee is not to validate/verify the stories submitted; it is to share and provide a repository of those scattered bits of history.

**We will enhance the recruitment of new members for the Kentucky Society.** Your submission could provide the spark for a non-member to connect with a common ancestor and take the plunge to join the Sons of the American Revolution. Another possibility is that a current Member might find a common ancestor and provide the ability for him to submit a Supplemental Application. I personally have benefited in this fashion, by receiving information on a common ancestor that led to a Supplemental Application.

Please note, there is no defined format for your submission. We ask that the information be between 200 – 500 words and be sent in a Microsoft WORD-compatible format. There is no need for documentation references. As noted on the database, it is the sole responsibility of the author to research the facts and data contained in the submission. Citing sources is not required. The sketch cannot be used for proof of lineage. It can, however, serve as a guide for the continuation of research. The Patriot Ancestor Database is one way you can honor your ancestor's for perpetuity.

For those Chapters/State Societies presented a streamer during 2014-2015, a Star will be presented for each additional 20% achievement. This Star will be affixed to the Streamer.

For those Chapters/State Societies presented a streamer during 2014-2015, a Star will be presented for each additional 20% achievement. This Star will be affixed to the Streamer.

For clarification on how the achievement levels are calculated:

Example - A chapter has obtained a 12% submission rate. If they hit a total of 20% during the current year, they will be presented a Streamer. Stars will be presented at each additional 20% level - 40% - 1 Star; 60% - 2 Stars; 80% - 3 Stars, etc.

For the member counts, we will use the December 31, 2015 membership that have paid their 2016 dues. National Headquarters will provide this information as they did last year. All Streamers and Stars will be presented at the 2016 National congress in Boston.

Please get the word out. With your help we will continue to expand the database to build the best data source that we can. We will cut-off the submissions for the 2015-2016 program on May 21, 2016 (Armed Forces Day).

## Patriot Ancestor Bio Program (continued)

We do have a method to identify the listing of all the Patriot Biographies that have been entered into the database. We have established a Patriot named "Index" - #P-334038 in the Patriot and Grave Index. We have expanded the Index to alphabetize by State of service for the Patriots. Hopefully, this will enable a more specific search when looking for a biography entry.

In order to access:

1. Enter the Patriot and Grave Index ( <http://patriot.sar.org/fmi/iwp/cgi?-db=Grave%20Registry&-loadframes> ) and input "Index" in the box labeled Full or Partial Surname and then click the SEARCH box.
2. Patriot Index with Ancestor # P-334038 will come up. Click on the "Read Biography" box in the lower left corner of the page to access the listing of biographies in the database.

Is your ancestor's story included yet? We would love to add as many as you can provide.

Douglas T. Collins  
KYSSAR Trustee 2015-2016

### Sample Bio

#### Thomas Scott

Patriot Ancestor of:

Charles E. Scott, Jr. SAR # 163263  
& Charles Richard Scott SAR # 172104

Thomas Scott (1754--1834), son of John and Margaret Thornton Scott, was born in Pennsylvania and as a young boy moved with his family in 1763 to the Haw River Valley of Guilford County, North Carolina. Thomas Scott married Nancy Carothers on February 9, 1775.

At age 21, Thomas Scott began his military service at Guilford Courthouse when the Cherokee Indians sided with the British at the outbreak of the Revolutionary War. In July 1776, Thomas Scott was drafted for eight months and served under Captain Fleck and Colonel Alexander Martin during General Rutherford's Campaign against the Middle Cherokee Indians in the mountains west of modern day Asheville.

After the death of his father, Thomas and his brothers moved to Washington Co., VA where they were part of the militia under the command of Col. William Campbell. This group of Over-Mountain men gathered at Sycamore Shoals and was part of the force that fought and defeated Col. Patrick Ferguson at the Battle of Kings Mountain.

It was during their stay among the frontier forts and settlements in Southwest Virginia that the Scotts became acquainted with long-hunters like Daniel Boone, who told marvelous tales about new lands just then becoming available in Kentucky. Sometime about 1784, the Scotts and their in-laws moved through the Cumberland Gap into the Bluegrass Region of Kentucky. Thomas Scott received a Kentucky Land Warrant dated May 7, 1785 for 500 acres in an area of Fayette County, in an area that would later become Jessamine County.

The Scott, Carothers, and Frost families all settled on adjacent or nearby farms along Clear Creek. After the disastrous Battle at Blue Licks, Kentucky in 1786, Thomas Scott served as Lieutenant during Colonel Benjamin Logan's expedition against the Shawnee Indians. This campaign ended Thomas Scott's military service.

The Scotts were initially members of the nearby Pisgah Presbyterian Church. The Scotts and their in-laws later became founding members of the Clear Creek Presbyterian Church.

Thomas Scott was issued a Revolutionary War Pension. At 80 years old, Thomas Scott died September 24, 1834 and was buried in Henry County, Kentucky.

**Editor's Note:** Our state only has a 6% participation rate.

We can do better—Please encourage your chapter members to take the time to honor their Patriot ancestor. Charlie Scott
