Dear Parents, Guardians, Future Volunteers,

Each year, North Easthope Public School runs a wide variety of programs that depend on the time and talent of volunteers. Some of these events are one day/afternoon/evening only, however many of these programs run for a large portion of the year. If you are interested in being contacted to support any of the following programs, please indicate this below. If you have a specific interest or expertise that you are willing to share, please indicate that below. Your interest on this does not commit you to these programs, however when a need arises, we will contact you to see if you are interested and available.

All volunteers **require a Criminal Background and Vulnerable Screening Check** done through the OPP. These forms are available through the office at the school. Please note that this process does take some time so completing these in advance of your volunteer time is necessary. Once you have completed this process, there will be an Offence Declaration form that will be sent home from the school each year that simply requires you to sign and return to the school.

We recognize the busy schedules that you have and truly appreciate the time that you give to our students here at North Easthope. If you have any questions about any of these programs, please do not hesitate to contact the school.

With Sincere Appreciation,

Erin Cassone
Principal
