Summer Camp and year-round seasonal employment at these camps can be rewarding, enjoyable and fun. These camps are very different in nature and highly diversified. Oljato is leased and the Pacific Skyline Council owns Cutter Scout Reservation, Boulder Creek Scout Reservation.

Opportunities to serve Scouting as a member of the seasonal staff are available to outstanding applicants. Competition for employment is keen, the jobs demanding, and the experience exhilarating.

The minimum age requirement is 16 for paid staff. Councilor in Training or Staff in Rotation can start at 14 years of age. BSA standards require a minimum age of 21 for some positions.

Length of employment varies with job assignment. Some summer staff are employed as early as mid-June and as late mid-August. Spring break and/or Easter week use this application as well.

Applicants must be registered members of the Boy Scouts of America or agree to become registered before employment begins.

The principles of the Scout Oath or Promise and Law must be practiced as a way of life.

As a facility of the BSA, the camps' staff is expected to set an example of excellence in Scouting which includes the proper wearing of the uniform and adhere to standards of personal appearance. Extreme hairstyles, unkempt facial hair, inappropriate jewelry (in the opinion of the council management), and non-camp shirts are not allowed.

Smoking is prohibited to anyone under 18, with no exceptions.

Salary is base on position responsibility with consideration given to the individual's experience.

References are important! A letter of recommendation, or a completed camp reference form, from a member of your local council's professional staff is beneficial. This information should be mailed at about the same time as your application.
