SUPERINTENDENT'S CORNER By Dr. Douglas DeSchepper

Parents and Community Members:

Finally, spring has arrived and the official end of the year calendar will be published. Please check the events calendar on our school website at www.orangevillecusd.com. The website is updated on a daily basis so that we have a current school calendar, interactive newsletters, events, fundraisers, Board meeting minutes, sporting events, contact information and much more. It will be continually updated as we end the school year soon and start preparing for the 2015-2016 school year.

I want to thank all staff members, parents, and students for completing our first PARCC Testing session during the month of March. As we continue this state testing process on computers, we will continue to monitor any changes that the state makes. Although we had some technology bumps, we have been able to complete the testing on the computers on a daily basis. Again, thank you to all who helped during the state testing.

There are many events throughout the Spring that keep the students busy for you to attend. Events such as music concerts and the IHSA Organizational contest have been scheduled, as well as the FFA Banquet & activities, Senior awards night, softball and baseball games. Everyone is invited to attend any of the events and support the Orangeville students.

5ESSENTIALS SURVEY

Like last year, this spring Illinois will lead the nation in providing a unique opportunity to deliver more comprehensive and reliable information on how to improve schools that test scores alone simply cannot capture. The end result will be a comprehensive user-friendly school report that offers a comprehensive picture of schools' strengths and weaknesses providing a clear pathway to improvement. If you could, please take a few minutes to complete the State of Illinois' 5Essentials Survey. The state asks that we have one parent from each household complete the survey about the school. If you have students at more than one level, you may complete the survey once for each level a student attends. The link to the survey is on the home page of the school website, and the deadline for submission is March 20th. Thank you in advance for your time in completing the survey.

STUDENT TESTING

Students are in the middle of the PARCC Performance-Based Assessment. They will finish by the end of March. Please be sure your students are getting plenty of rest. They will then have to take the PARCC End-Of-The-Year Assessment May 4th-May 22nd. Currently, there is information about the PARCC on the school website. Also, the Jr.-Sr. High will be taking their final round of MAP testing right after spring break.

SCHOOL EVENTS

On Friday, March 20th, Orangeville High School is hosting the annual Conference Music Festival. The northern schools of the NUIC will send band and choir students to form a conference band and choir. They will practice all day at OHS gymnasium, and then perform a concert that night in the high school gymnasium at 7:00pm. The price of admission will be \$5.00 per person.

The winter sports awards night will be held Wednesday, March 18th. Boys' basketball, girls' basketball, and wrestling will be the three sports that are honored.

ATHLETICS/ACTIVITIES

The Dakota-Orangeville wrestling Co-op won the IHSA state championship in the Class A dual team wrestling meet! Congratulations to all the boys that worked so hard this year. The junior high girls finished up their basketball season. Both baseball and softball teams have been practicing for a couple weeks and will play their home openers on March 19th.

On March 7th, students in band and choir participated in the IHSA Solo & Ensemble Contest held at Stockton. They brought home 5 Division 1 ratings, 8 Division 2 ratings, and 6 Division 3 ratings. Then on March 13-14th, the Orangeville Music Department put on an entertaining and well-attended rendition of the musical "Once Upon a Mattress."

On March 10th, Mr. Golembiewski took Andy Alber and Kelsey Bollon to the NUIC Sportsmanship Summit to meet with other students from conference schools to discuss sportsmanship in activities and athletics.

Mr. Brett Janecke brought students to FFA events on March 10th and 11th. In the Envirothon on March 10th, the team consisting of Dan Obert, Kiley Haefner, Anna Folgate, Haley Ceroni, and McKenzie Riemer placed 3rd out of 25 teams. Then the next day Mr. Janecke and Dan Obert traveled to Geneseo, IL for Dan's FFA District Proficiency interview. Please congratulate Dan on his 3rd place finish!

Reminder to Parents of kindergarten, 2nd, and 6th grade students:

Your child's dental form is due by May 15th. If they have not turned it in to the school already, please do so as soon as possible.

Beginning next school year (Fall 2015) all students entering the 6th and 12th grades will be required to show proof of recent meningococcal conjugate vaccination (MCV). All 6th graders will be required to show proof of one dose received on or after 11 years of age. All 12th graders will need to show proof of receiving two doses unless the first dose was administered after 16 years of age. In this case, only one dose after 16 years of age is required. This vaccination will protect your student from a severe form of bacterial meningitis as well as other illnesses caused by this bacterium.

Thank you. Kary Friedenauer, RN

April already! I joke that the days are going faster, but I really feel like they are. Of course, try to argue that with a student... they still think it's FOREVER until school gets out. ☺ But the days are getting longer and soon the flowers will be popping up and the grass and trees will be green once again. The final quarter of school has begun, and we are already thinking about and planning for next year!

The second Box Tops for Education submission for the year was March 1st, and with regular Box Tops plus Bonus Certificates, we accumulated 550 Box Tops – which equals \$550.20! That check will be cut in June. Keep clipping and collecting those Box Tops as usual, and if you're registered on the Box Tops for Education website, there are a couple of sweepstakes that you can enter. The first is the "I Love My School Sweepstakes", which you can enter for a chance to win 50,000 Bonus Box Tops for the school. You can enter daily through April 12th. The second is the "Box Tops Big Money Sweepstakes", which is open until Dec. 12, 2015, and uses codes found on specially marked Box Tops brands (more info is included on flyer). If you are not registered with the website, please turn in the codes to the school and I will enter them into the website.

There is no new information about Labels for Education at this time. We are continuing to accumulate Labels and I will mail those at the end of the school year. Please keep your eyes peeled, since they are on a number of various brands that you may use every day. Below are just a few of the brands that carry Labels for Education.

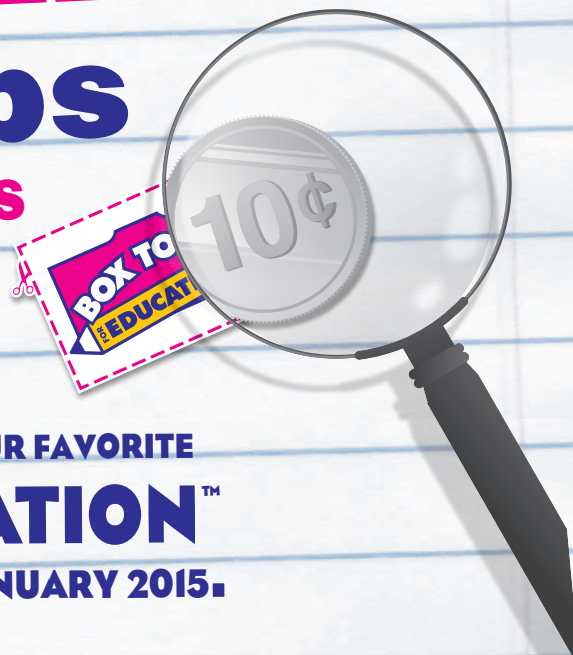

Finally, there is no new news right now with My Coke Rewards - other than a reminder that the codes on bottle lids and inside the cardboard packs of participating Coke-brand products can be converted to cash-earning points if you turn them in to the school. This time of year, as it's getting warmer and you may be out and about drinking more soft drinks, please save those codes and turn them in to the school if you don't have your own My Coke Rewards account. If you DO have a MCR account, you can donate your points at any time by looking us up and choosing to donate. The following brands participate in My Coke Rewards: Barq's, Coca-Cola, Coke Zero, DASANI, Diet Coke, Fanta, Fresca, FUZE, Mello Yello, Minute Maid, Pibb, POWERADE, Seagram's, Sprite, and TaB.

Thanks for all you do, and have a happy spring!

Rachel Heck, HS secretary & jack-of-all trades ☺

OUTSTANDING OUTSTANDING OUTSTANDING!!!!. This is what our students' musical performances were!! We hope everyone enjoyed the wonderful talent of our Jr. Sr. high school students. A HUGE thank you goes to the many people who helped get this production off the ground to make it a huge success. Mrs. Swart and Mr. Cherney for preparing our students. Dani Rodebaugh, Linda Schmidt, Katie Markel for the great assistance with the hair and makeup. Billie Jo Setterstrom, Dale and Sharon Malone, your costuming and prop building is wonderful!!! WE love you guys. To all the parents who provided food for tech week, the students LOVE you. Also to all who donated intermission desserts or helped serve. Pete Knipschild for getting the program ready. Thanks Pedro. Until musical time next year.

Thank you to all parents, staff, Orangeville Music Boosters, and Richland Players for all you did to help make our production of "Once Upon a Mattress" a success. Without all of your dedication and time given, the students could not have done their best and looked their best.

Thank you! ~ Mrs. Swart

Gym-NEWS-ium ☺

The 6th grade students and many parents got the opportunity to go to Chestnut Mountain skiing for a PE fieldtrip! All 29 students skied along with 10 parents! We were also lucky enough to have 5 more parents come to watch!

The weather didn't start out in our favor, but we made it safely and had a great day! The students got to ski for over 5 hours! Mrs. Kent was extremely jealous watching all of the fun being had! All students are hoping we can have the opportunity to do this trip again in the future!!

From the:

Gym-NEWS-ium ☺

The 4th and 5th graders were invited to go to the YMCA in Freeport as part of the “Catch” program. Students were able to learn new activities that focused on physical activity and nutrition. They were also given a tour of the fitness center downstairs. The part the students enjoyed the most was the hour they were able to be in the pool!!!

Dear Parents:

We will be offering a skating unit in physical education class beginning April 7th. The students will be skating a total of 5 times throughout the following 2 weeks. The PTO is paying \$2.00 of each student's rental fee to bring the cost down for us! We will be renting the skates at your cost of \$2.00 for roller skates and \$3.00 for roller blades. Students will also wear wrist guards the whole time. If you would like your student to have additional safety gear such as helmet, kneepads, and elbow guards it is an additional fee of \$2.00 for the set totaling \$4.00 for roller skates and \$5.00 for roller blading. The students will receive instruction in the proper method of forward and backward skating, cornering, turning around, and stopping.

The skates we will be renting have special polyurethane wheels that will not cause any harm to the gym floor. B.R. Sports carries product liability insurance on their skates.

We feel this is an important unit because skating is a highly beneficial aerobic activity and is a life-long activity that helps improve coordination, posture, balance, and rhythm.

Please return the permission slip (bottom portion) and payment as soon as possible. Both forms and money are due by Friday, March 27th! If you have any questions or concerns please email me at lkent@orangevillecusd.com.

Thank you!!
Mrs. Kent

PRESCHOOL SCREENING

The Orangeville Community Unit School District #203 will hold its annual preschool screening for 3, 4 and 5 year old children on Friday, April 17, 2015 at the Orangeville United Methodist Church. To be eligible to attend the Orangeville PASS program, each child must go through the free screening which is available to all children whose parents reside in the School District.

The preschool screening will take approximately one hour. All children will have their vision, hearing and general overall development screened. This service is provided by the Illinois Department of Public Health, Northwest Special Education Cooperative, the Early Childhood Consortium of Freeport, and the Orangeville School District.

If you have a child who is 2 years, 9 months through 5 years old, call (815) 789-4613 to schedule an appointment for screening. A parent or guardian must accompany the child to the screening site.

Children ages Birth – 2 years, 9 months of age may be screened by contacting Child and Family Connections at (815) 297-1041 to schedule an appointment with the Early Intervention staff.

School officials encourage all families with eligible children to sign up. A majority of learning takes place in the preschool years, and it's important to identify problems early.

To Willi and Jackie Guy and Head Basketball Coach Tyler Daves for organizing and running the 1st-4th grade Saturday basketball program. The kids all had a great time and learned a lot!

Thank You

To Willi & Jackie Guy along with Jesse Stamm, Matt Busjahn, Jay Doyle, Bob Bollon, and Brian Hildebrand for all your time and hard work organizing and coaching the girls and boys 5th-6th grade basketball teams.

Way to go Broncos – You represented our district well!
