It is the policy of San Juan Unified School District to not release student work without express written permission from parent/guardians or students if over the age of 18. In an effort to promote the visual and performing arts, San Juan Unified School District has partnered with outside organizations to display, distribute, and potentially sell student artwork and audio and/or video recordings of student performances. Student work chosen as part of this partnership may be posted on the Internet including Web sites of outside organizations, displayed in local business and other public venues, and/or presented at public meetings.

By signing this permission form, you acknowledge receipt of this notice and consent to the use of your student's work in promoting the visual and performing arts.

Permission to use student work for promotion of visual and performing arts

Student Name: _____ Student ID #: _____

School: _____

I hereby grant permission to San Juan Unified School District staff to release my above named student's work to promote the visual and performing arts in the district. I understand that my student's work may be displayed in a variety of locations including those accessible to the public.

I further acknowledge that this permission is valid for all of my student's work during the 2013-2014 school year and that this permission can be rescinded at anytime. Should I choose to rescind permission, I understand that any work previously released will remain public but that any new work will not be released.
