School Delays and Closings

This is the time of year that brings school delays and closings due to inclement weather. If our schools are operating on a delay or are closed, the announcement will be made:

- On the local television stations, usually around 6:00 a.m.
- On the school district website www.tippcityschools.com.
- Via the emergency e-mail alerts through the district website. (You must sign up for this service.)
- The One Call Now phone system.
- Our district Facebook page.

ONE CALL NOW Options

If you want to hear the latest **ONE CALL NOW** message again, there is an option to listen for recent announcements. Go to www.tippcityschools.com and click on **ONE CALL NOW** under the "Shortcuts..." menu and it will take you to the **ONE CALL NOW** page. When a message has been made by Dr. Kronour, you will be able to click on the **ONE CALL NOW** banner to hear the most recent message.

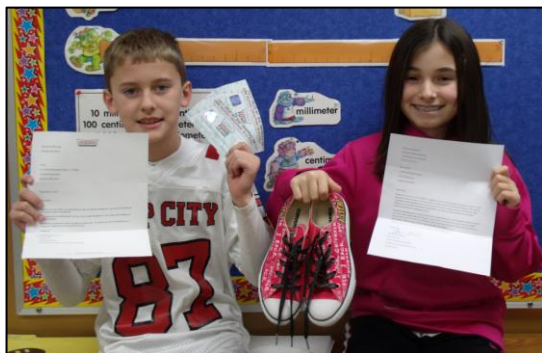

If you want to update your home phone number or the parent mobile phone numbers, please call your school's main office so we may update our records. We do overwrite the phone numbers in OneCallNow with what we have in the school's database, so it is very important that we have accurate information so you get those important calls. If you'd like to add additional phone numbers to the calling list click here: <http://www.tippcityschools.com/domain/38>

Donuts and Shoes!

Fifth graders, Katie Reeder and Austin Post were rewarded for writing letters. As a part of the Fifth Grade Language Arts activity, students were required to write a business letter providing feedback about a personal experience regarding a product or service. Students were to offer compliments, suggestions, and provide constructive criticism.

Katie Reeder wrote to Converse and expressed her positive experience with the high quality shoes she wears year round. She believed a Converse store would do well in the Miami County area. In response to Katie's letter, Converse sent her tennis shoes with her name on the side! The letter also directed her to a few

Converse stores that are close by. Austin Post wrote to *Krispy Kreme* and told how he liked watching the donuts being made and praised their speedy service. *Krispy Kreme* sent him two coupons for a dozen free donuts each. The class is now waiting anxiously to see if they receive any more surprise responses.

Fall Sport Parents,

We certainly hope that your child had a great experience this past fall in our athletic program. We are constantly evaluating what we do in our programs and your input is extremely critical to our improvement process. We would love to get two responses from every family – one from a parent perspective and one from the child perspective. We hope that you take the time to complete these surveys – good and bad – so that we can continue to improve our programs for your children.

Booster Fan Store:

The Booster Fan Store will be open at every home boys' basketball game this season. The Fan Store has t-shirts, sweatshirts, polo shirts, blankets, car decals, cups, coolies, seat cushions, lanyards, and much more.

We hope you will stop in and do some shopping.

Goofy Fundraiser:

Mr. Shomper will once again participate in the Disneyworld Goofy Challenge this January. The Goofy Challenge is to run the Donald Duck Half Marathon on Saturday, January 12, 2013 and the Mickey Mouse Marathon on Sunday, January 13, 2013. Yes, that is 39.3 miles in a period of 24 hours.

Breast Cancer Awareness Game – Jan. 19th

The Tippecanoe girls' basketball team will be having a Breast Cancer Awareness game next Saturday January 19th at 1:00 vs. Miami East. The lady Red Devils will be wearing their pink uniforms. Come support a good cause and watch your Tippecanoe Red Devils take on the State Ranked Miami East Lady Vikings.

We will be supporting PinkRibbonGirls.org. The Pink Ribbon Girls is a local organization with many people from the Tipp City area involved. The Pink Ribbon Girls' mission is to provide personalized support to young women throughout all phases of the breast cancer journey. They accomplish this through education, outreach, awareness, and one-on-one support to women and their families.

No one travels this road alone...

Support

The Pink Ribbon Girls Organization offers support and services to their members through their Simply Fight and No Age No Stage programs which offer free services for those in treatment to help with life needs such as housekeeping, babysitting, meals and transportation. Survivors can also connect via our secure national database.

Awareness

They create awareness in the community that young women do indeed get diagnosed with breast cancer. We work to positively impact the community through Pink Game Days and other breast cancer awareness events. Their goal is to communicate that 1 in 8 women gets diagnosed with breast cancer in their lifetime and therefore impacts their family and friends. They strive to rally around these survivors and create awareness that No One Travels This Road Alone!

Education

Their Love Your Girls program provides education and support through our website, social and print media, as well as public speaking forums. They collaborate with other breast cancer organizations and research groups such as The University of Cincinnati Medical Center Department of Environmental Health's Windows of Susceptibility Grant in order to educate the public about breast cancer basics, healthy living and ways to understand breast cancer research findings.

WHAT WE WILL DO TO HELP

Tee shirts – Attached is an order form. The Pink Ribbon Girls make a little money on every shirt that we sell.

50/50 raffle during the game

Basket raffles – Several local organizations have donated so we can help raise money to help the efforts of the Pink Ribbon Girls.

Lunch room Donating – In the lunch room at the high school will be two donation boxes. One with Mr. Porto's name on it and one with Mr. Shomper's name on it. They have willingly entered a friendly competition to see who can raise the most money. The winner of the event is the one that has the most money. The "winner" will then wear a nice pink Tutu throughout the school day the Friday before the big game. All in an effort to support the cause.

Honoring Survivors – Before the game starts we will take time to honor some of the women who have bravely taken on this ailment and have beat it.

Pink Ribbon Game T-Shirt Order Form

\$10

Order must be received **by This Friday Jan. 11th** to receive before the game.
