President's Message

As most of you know, I was in the hospital for the last 9-1/2 weeks. I had infected kidney stones that caused quite a bit of damage very quickly. I lost both lower legs and 6 finger tips. I'm home now and will be fitted for some new legs fairly soon.

Jan and I really enjoyed seeing everyone at the Derby Driving. It was a beautiful day and we had a great turnout. I think everyone really enjoyed it. Thank you Erik and Chris for putting on such a fabulous event.

Don't forget the Beginning Dressage Clinic coming up Sunday June 7th at Salisbury Park and the Drive at Highlands Ranch on Sunday June 14th.

PUT THEM ON YOUR CALENDAR AND LET'S CONTINUE TO HAVE A GREAT YEAR!

Twenty four drivers competed in the first ever CDS Derby on Saturday, May 30. Erik Jensen did an excellent job of organizing and setting up for the event. The course was challenging, and really fun to drive. It included 12 sets of cones, a "bridge" and two complex hazards of traffic barrels.* With two classes, open and training, and the full range of horse sizes, spectators enjoyed watching as drivers negotiated the course at a variety of speeds.

Especially fun to watch were Geir Kanstad driving his pair of Shetlands at full tilt (*tho' Roberta Greeno still beat him*), Terry Miller driving her speedy Toby in a mini sulky, and Lisa Crispin driving Ernest, her mini donkey, in their first event.

Comments from Erik: *We had a great crew come out to set up the course Saturday morning. The Park staff had the polo ground mowed and ready for us. Returning after being inactive to the club for some years, I was impressed by how everyone pitched in. After the last competitor ran the course, folks took down the cones and hazards in a matter of minutes! Everyone cleaned up after their horses and left the park as we found it. **Let's do it again next year!***

Special kudos to Pat Lamprey: When I picked up the club trailer, all the equipment was in perfect order.

Many thanks to the stalwart volunteers, without whom we could not put on this event. Jan Wehrli was our announcer. Joe Johnson judged. Norb Nothstein timed, and took photographs. Kevin Russell saw to the course, resetting cones and barrels whenever needed. Pat Lamprey was our scorekeeper. Chris Jensen, Rita Nothstein and Abby and Emily Driesen kept a sharp eye on the competitors as they negotiated the hazards. We were all glad to see Fred Wehrli right in the midst of the activity, finally home from the hospital and awaiting his new feet, and retaking the reins as president of the Colorado Driving Society.

*Thanks to Joann Pacheco, who loaned us the traffic barrels from her company, Traffic Control West, located in Castle Rock, Colorado. Joann may be a future driver. She has a mini donkey and is looking for a used mini cart.

Many thanks to photographers Norb Nothstein, Bob Bosko and Casey Kern for the pictures on these two pages.

Volunteers Needed!

This is your chance. If you're someone who has competed at many CDS events, this is a way to give back to the club. If you're just starting to drive, it's a way to learn about competitive driving. It's also a chance to spend a day outside with fun people doing something worthwhile.

On **Saturday, July 18**, we'll set the courses. We'll be setting up dressage and cones arenas. We'll also mark and measure the marathon course and mark the gates in the hazards. If you're competing, this is a great chance to see the course ahead of time without having to worry about what your horse is up to or when you need to be in an arena on the morning of the show.

On **Sunday, July 19, show day**, in the early morning, we need folks to set up sun shades, tables and chairs for the officials, to measure wheels, and to hand out competitor packets. Then we'll need folks to get competitors in and out of the dressage and cones arenas, and pick up downed balls and cones. We need a couple of drivers for the marathon course "walk" in the morning, and people to dismantle the cones and dressage arenas during the lunch break. In the afternoon we need many timers and judges for the marathon and its hazards. When everything's over, we'll need a few folks to take down the marathon course and hazard markers, take down sunshades and equipment, and pack everything up.

On show day, we're happy to have you for all or just part of the day. Either way, we'll feed you—and thank you!

Reminders for Event Organizers:

- Guidelines for organizers, a sample budget, and reimbursement forms are available on the CDS web site. They're on the right hand side in the "Documents" section below the newsletters.
- Three months before your event, submit a budget to the CDS board: No publicity for an event will be released until the *board* has approved the budget for the event, so get that in first!
- Two and a half months before your event, submit a description of your event to the newsletter. Include title, date, time, location, rain date, fees, organizer, details of the event, closing date for registration, a registration form and where to send it.
- If you need help recruiting volunteers, send a list of the volunteers you need (scribe, timer etc.) to the volunteer coordinator, Susan Tyler.
- After your event, Please send results and a report to the newsletter editor: SusanHTyler@gmail.com; or Susan Tyler, 755 Vista Lane, Lakewood, CO 80215
- Sending a few pictures is very desirable!
- If you incur an expense that needs to be repaid out of the club's checkbook you must provide a receipt. There is a form available for this on the website, and we will have them at the membership meetings. We will also provide copies in the Organizer's Packet. Receipts are required to keep our books in order.
- Items that are donated require a receipt for the value of the item and the word "Donated" written on the receipt for tax purposes. This can include judge's fees if the judge normally charges for their service, but chooses to donate it to CDS.
