PLEASE REVIEW THE FOLLOWING INFORMATION PRIOR TO COMPLETING THE ABOVE AUTHORIZATION FOR THE PURCHASE OF UNITED STATES SAVINGS BONDS THROUGH THE PAYROLL SAVINGS PLAN:

- 1. Each eligible (full time) employee may authorize payroll deductions for not more than three (3) bond accounts: (Bonds are available in \$100, \$200, \$500 denominations.)
2. The following forms of registration may be used:
a. Single OWNER - (Employee must be designated as the registered OWNER.)
b. OWNER/CO-OWNER - (Employee must be designated as either the registered OWNER OR CO-OWNER.)
c. OWNER/BENEFICIARY
3. The Social Security Number of the registered OWNER must be designated. The Social Security Number of the registered CO-OWNER OR BENEFICIARY is not mandatory, but is highly desirable.
4. If the social security number of the registered OWNER is unknown, or if a social security number has never been issued for the registered OWNER, the employee's social security number may be used. (Employee must be designated as either the registered CO-OWNER OR BENEFICIARY.)
5. When purchasing savings bonds for college education purposes, IF YOU WANT THE INTEREST TO BE TAX FREE, purchase the bonds in the name of the PARENT or legal guardian. Do not list the child as an OWNER or CO-OWNER; OR you can purchase the bonds in the child's name, and the bonds will be taxed, but at the child's lower tax rate. Register the child as the OWNER (with you, the employee, as BENEFICIARY, NOT CO-OWNER), using the child's social security number.
6. Payroll deductions will continue until written consent (FM-0639) to discontinue the deduction is received. Payroll deductions can not be cancelled until the purchase of the Bond is completed.
