The Dick and Aggie Levi Matching Challenge

Dick and Aggie Levi have gifted Lutheran High School with \$100,000 to be distributed to a variety of improvements to the school. Twenty-five percent (25%) will go to the Foundation For Excellence at Lutheran High School to establish an endowment to fund future tuition assistance. Forty percent (40%) will go to the 30 Years of Blessings campaign toward the new computer lab. The remainder will fund a variety of school improvements to technology, security, and materials beneficial to students.

The challenge to you is to match the Levi gift as you pledge to 30 Years of Blessings. No, you don't need to pledge \$100,000, but as you pledge and/or donate any dollar amount, note that you are matching the Levi gift and the Levi dollars will be released for use. If you no longer have the 30 Years of Blessings letter or pledge card, let us know and we'll get you a new one! If you already pledged but would like to send an additional gift toward this match, you may do so.

The matching challenge is from the date of the gift, July 9th, to September 9th. Please send in your 30 Years of Blessings pledge today!

A Note From Coach Jackson

With much thought and a heavy heart, I've submitted my resignation as the varsity boy's basketball coach at Springfield Lutheran High School effective June 28.

After much prayer, it came down to my desire to spend more time with my family. The time commitment coaching a high school sport and being away from my family has weighed on my mind over the years, and this is God's way of telling me it's time for change. This was a very difficult decision for two reasons; my love for the players, as well as for the love of coaching the game. I am leaving with a heavy heart as I will truly miss both.

In my 11 years at Lutheran, I feel I've conducted myself with dignity, professionalism, strong Christian values, integrity, and a caring and positive attitude. I know I have invested in the player's lives by not only showing them respect, but receiving it back from them. During this time, I've built strong and lasting relationships with my players, parents, coaches, school staff members, and the Lutheran community. While at times I know it's difficult to please everyone, I accepted these responsibilities and demands as this is part of the coaching process. I truly apologize to anyone if I failed to meet your expectations. With this being said, I'm hopeful that I've made a positive impact on the students lives in my 20 years of service in my roles as a church youth director and basketball coach.

At a very young age my dream was to be a coach, but God had a different path for me. Thinking my dream would not be a reality, God didn't let me down and he brought me to Lutheran. I had no idea nor planned on being here this long, but after years of perseverance my dream became real. I can't begin to put into words the thrill of emotions and joy this brought me. As I leave now, I know I'll have emotions of sadness and shed some tears, but I know and trust that God has other plans for me.

I want to thank all the current and former players and their families, coaching staff, Lutheran High School staff and students, as well as all the Lutheran community for their support and a chance to live my dream. Also, I would not have been able to do this without the sacrifice and support I received from my wife Amy, my son Derek, and daughters Gabrielle and Jenna, along with other family members and friends.

It's been a special ride full of many wonderful memories to be able to serve at such a wonderful and special place. I'm forever grateful, thankful, and appreciative to Lutheran High School. This was so much more than just about basketball, but life's lessons. I know my words in this letter don't fully describe what this has meant to me. I wish everyone and the school much success on all your endeavors. May God's Blessings be upon you all!

Sincerely and Best Regards,
Brad Jackson

Physical Exam Forms, Immunizations & Birth Certificates

The state of Illinois requires all new 9th grade students to submit a completed physical examination form with an up-to-date immunization record before October 1, 2009. All incoming freshman are also required to have a diabetes screening, which is included on the State of Illinois physical form. **This form must be signed by a parent to be valid.** We are required to keep those students without properly submitted forms out of school beginning October 1st until the form is on file in the school office. If new 9th grade students are also intending to participate in sports, see below.

Sports physicals must be turned in before you are allowed to practice. IHSA physical forms for grades 10-12 are available in this mailing or on the IHSA website (www.ihsa.org/forms/general/physicalcard.pdf). You will need Adobe Reader to view and print this document. Completed forms should be submitted to the school office.

The Missing Children Registration Law requires schools have a certified copy of all students' birth certificate in their permanent record. If you haven't already done so, please bring a copy to the school office so we can add this document to our files.

Locker Assignments

Each student is assigned a locker with a school lock attached. There is a \$5 deposit required which is returned when the student leaves Lutheran High, the lock is returned and the locker cleaned. Returning students who have previously paid this deposit already have a lock deposit credit on their activity account and have either chosen or been assigned a locker for the 2010-2011 school year. Freshmen and transfer students' lockers are assigned at their registration appointment.

Gym lockers also have school issued padlocks. Lockers in the gym will be assigned by the PE instructor. There is an additional \$5 deposit required for this lock as well. **PE students are required to secure all of their belongings in a locked gym locker during their PE period.**

Thrivent Choice Dollars

As you may or may not know, Thrivent Financial for Lutherans has discontinued the matching program that many of us were familiar with for years.

The new Thrivent Choice program lets eligible benefit members direct Thrivent Choice Dollars to a Lutheran charity of their choice, particularly schools, seminaries, colleges and congregations. You will need to designate which charity you wish. **This summer, eligible benefit members will receive a letter with information on their designated Choice Dollars for 2010 and details on how they can help direct Choice Dollars funds to thousands of Lutheran organizations, including Lutheran High.**

In past years, LuHi has benefited \$40,000 to \$60,000 a year from the matching gifts program. We hope and pray that many of our supporters continue to support LuHi by choosing **Lutheran High School of Springfield, Illinois** in the online catalog.

If your friends and relatives **anywhere in the United States** are eligible Thrivent members, please encourage them to direct their Choice Dollars to **Lutheran High School of Springfield, Illinois.**

At this point, please await your letter from Thrivent and then carefully designate your dollars, all the while keeping Lutheran High School in mind and in your prayers.

Vehicle Donations Needed

We have vehicles donated to our Foundation For Excellence on a regular basis. We could use some vehicles now, whether they be junkers for scrap (money goes to the Foundation) or vehicles with a year or two of service remaining for use around school. These are not normally used to convey students, but they can be used for administrators and teachers to attend meetings, and pickups are useful on the school grounds. If you have a vehicle or know of one that is idle, consider donating it and getting a tax deduction.

30 Years of Blessings is still collecting pledges, Much more will be done this fall. If you have not yet responded, please do so.

National Honor Society

NHS requirements for Juniors & Seniors, cumulative GPA of 3.5 and above and 40 additional hours of community service outside of the 60 required for graduation, with the hours split between church, community and school, 10 hours minimum for each category.

LUTHERAN HIGH SCHOOL STUDENT DRESS CODE

The overriding purpose of Lutheran High's dress code is to maintain an environment conducive to learning and present a positive Christian witness to others.

OUR GUIDING PRINCIPLE IS THAT CLOTHING SHOULD BE APPROPRIATE, NEAT, CLEAN, IN GOOD REPAIR, AND IN GOOD TASTE. Classroom attire is not appropriate in P.E. classes, and sports attire is generally not appropriate in the classroom. What may be offensive to some may not be offensive to others; yet Lutheran High feels the need to try to establish an environment in which all can take pride, all can sense that a quality educational environment, which is pleasing to God, is taking place.

The following is a list of specific guidelines to assist students in choosing appropriate clothing during school hours:

1. Hats, visors, bandanas and scarves are not to be worn on the head.
2. Unnatural or "kool-aid" style hair coloring is not to be worn.
3. Mohawks, unevenly shaved heads and "faux hawks" are not permitted.
4. Ponytails must be worn on the back of the head, and braids must lie naturally flat against the head. Men should not wear barrettes, ribbons, hairpins, or bobby pins in their hair.
5. Piercing jewelry will only be worn in the ear.
6. Clothing should not be extremely form-fitting, low cut, sheer or revealing. No skin or undergarments should be exposed between the bottom of the shirt and the top of the pants under normal activity including reaching up, sitting down, or leaning over while either sitting or standing.
7. "Grubby" items such as clothing that is ragged, ripped or frayed (including cut-off T-shirts) are not acceptable.
8. Camouflage or other military clothing is not appropriate.
9. Shirts or dresses must have sleeves. A sleeve is defined as an extension of hemmed material beyond the shoulder seam.
10. T-shirt logos or lettering should not directly or indirectly refer to any musical group or any controlled substances, including alcohol, cigarettes or otherwise inappropriate theme or wording.
11. T-shirts and shirts should be tucked in if the hem falls below your fingertips while standing.
12. Waistbands are to be worn at the natural waist.
13. Skirts should measure no shorter than four inches above the top of the knee when standing. Skorts are to be considered skirts. Capri pants must be two inches below the kneecap.
14. Shorts are not allowed.
15. Leggings should be worn with an acceptable skirt.
16. Athletic pants may not be worn.
17. Underwear should not be visible at any time.
18. Shoes are to be worn at all times.
19. Students may not wear shoes with cleats in the building.
20. Individual teachers may determine whether or not they allow coats in the classroom.
21. Any clothing, or lack thereof, not mentioned in the list above which is considered by the school administration to be in questionable taste or deemed to be unsafe will be corrected immediately.

Exceptions to the dress code may be made through special Student Council dress-up days, or days sponsored by other student groups.

Infractions of the dress code will be handled in the following manner:

1. The first violation will result in the student being warned; directed to immediately correct the violation, or wear school-provided clothing for the balance of the day in order to avoid absences from class. Notification will be sent to the home.
2. The second and successive dress code violations will result in the student being directed to immediately correct the violation or wear school-provided clothing for the balance of the day in order to avoid absences from class. A demerit will be issued for all second and successive dress code violations.

Congratulations!

Smores.com is a free website for children which was started by two London-based writer/illustrators. They wanted to give children a chance to read stories aloud for the entertainment of other children. In its second month the site chose 50 finalists from all over the world. Viewers could then access the stories and hear and watch a child read to them. Each view tallied a point for the story over the course of the month (June). The site even had an iPhone app so kids could listen and view from a cell phone. At the end of the month prizes were awarded to the top 5 finalists. Lutheran High's very own Mrs. Strong won first prize in the month of June for her story "Guess Who Has the Chicken Pox".

Student Council Events

It's that time of year again - Student Council is gearing up for an entire school year of activities! We will start off with the **Freshman Round Up** on August 13th beginning at 7pm. Incoming freshmen will have the opportunity to get to know their fellow classmates with fun-filled games.

The **First Fling**, the first dance of the school year, will be held on Friday, August 21st from 8-11pm. Start off the year with a fun night of dancing and spending time with your friends. Other planned activities: a trip to **Six Flags** on Sunday, August 30th, **Spirit Week** September 21-15 and the **Spirit Dance** following the home volleyball game on Friday, Sept. 25th, **Paintball** in October, Broomball in November, the **Christmas Dance** on December 19th, a **YMCA overnight** in January, **Heart Week** and the **Sweet-hearts Dance** in February, **Chicago shopping trip** in March, a downtown Springfield **Scavenger Hunt** in April and the **Final Fling** in May. Watch the *Ledger* and listen to daily announcements for information on these events.

Parking Permits

Parking permits are required of all students and teachers driving to school and using the parking lot during the school day. Forms are available with registration forms and in the school office on the first day of school. Students will need to know their license number and insurance information. Also, a parent is required to sign this form. Students who do not display a permit will be asked to park elsewhere.

Emergency Cards

Each student must have an emergency card on file in the school office. Parents - please be sure to fill out a new card for this school year! It is very important that we have accurate information to reach you in case of an emergency, plus we are required by LAW to have a listing on this card of all medications your student takes during the school day. Please be sure to note your student's Social Security number and date of birth on the card. The school is required to have this information on file as well. A new card will be included with all registration information, so please fill one out and return it with your registration forms or fill one out at your registration appointment.

Admissions Notes

A few items of interest:

If you did not attend the **New Student Orientation** in June, be sure to come to the Parent Welcome on Thursday, August 13th from 7-8:30pm. We will meet in the Quad of the west building.

Any incoming freshman who has not yet taken the **placement test** will need to do so on August 18th (the first day of school) from 12:45-4pm.

Financial Aid applications are due by August 1st. The committee meets in early August to award scholarship funds that are still available according to a need based formula.

Change of Address?

A student directory has been included with this mailing. Please check over your information. If you have moved or your address is listed incorrectly, please notify the school office as soon as possible. It has become costly for the post office to correct the address on one piece of bulk mail, so save us the added cost by making a phone call to update your mailing address when needed. If you would like to receive the *Ledger* electronically, please send a message to Curt Fischer at FischerOne@msn.com and he will add you to the list of those getting the eLedger.

Which Calculator Do YOU Need?

Students enrolled in Algebra 1 and Geometry are required to have a scientific calculator - that is one with SIN, COS, TAN and square root keys.

Students enrolled in Advanced Algebra will need a scientific calculator with SIN, COS, TAN, LOG and LN keys. We encourage them to have a graphing calculator which will be used in Trigonometry and beyond so that they can get accustomed to using it. We recommend either the TI-83 or TI-84 series.

Students enrolled in Trigonometry, Analytical Geometry and Calculus are required to have a graphing calculator of their own. Again, we recommend the TI-83 and TI-84 series.

Your StuCo is sponsoring a trip to Six Flags-Saint Louis on August 29, 2010. We will take a motorcoach to the park (stopping for breakfast on the way) and arrive in time for the opening of the park. You will have access to both the water park and the theme park for most of the day. Our plan is to leave close to 5:30pm in order to eat supper outside of the park. We should return home between 9:30 and 10:00pm. The cost for this adventure is \$50 which includes your ticket and the bus ride. Season ticket holders will pay \$30 for the bus ride only. **You may pay for your Six Flags excursion with your registration by including a separate check made payable to Lutheran High with "Six Flags" noted in the memo line. All tickets need to be purchased PRIOR to the start of school due to the early date of the trip.** We only have 53 seats - will you occupy one of them??

Student Council is going to try something new this year: pre-paid discount tickets for the Christmas Dance.

This year students may reserve a ticket for the Christmas Dance held in December each year at the Crowne Plaza by purchasing a reservation any time before the end of the first quarter at a discount price of \$40. The full ticket price has not been determined yet, because information is not yet available from the Crowne Plaza, but last year's ticket was \$43. Our hope is that this may alleviate some strain on cash flow during the hectic holiday season. Students purchasing a ticket after the first quarter will need to pay for the full price ticket to attend. A separate check should be written with "Christmas Dance" noted in the memo line.
