## **FEDERAL TAX PROVISIONS MAY AFFECT YOUR 2012 ARKANSAS TAX RETURN**

The State of Arkansas retroactively adopted IRC §163 and §408, part of the American Taxpayer Relief Act of 2012. For tax year 2012 these sections allow for a deduction of mortgage insurance premiums (PMI) and tax free distributions from an IRA for charitable purposes. Taxpayers who have already filed 2012 returns but qualify to claim either or both of these tax provisions may amend their returns using Form AR1000F (full year resident) or AR1000NR (part year resident or nonresident).

Taxpayers claiming a deduction for PMI should report the amount on Line 26 of the itemized deduction schedule, Form AR3. Tax free distributions from an IRA for charitable purposes should be reported on Line 51 of Form AR1000F or AR1000NR. Income tax forms are available at [www.arkansas.gov/incometax](http://www.arkansas.gov/incometax) or by calling the Individual Income Tax Section at (501) 682-1100 or (800) 882-9275.

### **Amended Returns**

Taxpayers amending their original returns should simply check the "AMENDED RETURN" box on Form AR1000F, AR1000NR, or AR1000S, and then complete the return using their corrected information. **No separate amended return form is necessary.** See page 12 for instructions. (For tax years 2009 and prior, amended forms are available at [www.arkansas.gov/incometax](http://www.arkansas.gov/incometax).)

### **Vouchers**

All payments must be accompanied by an appropriate payment voucher, **including payments made with returns.** **Failure to send a voucher with a payment will cause delayed processing of the payment, which could result in a billing notice being sent.** See line 50C on Form AR1000F or AR1000NR and page 17 for instructions.

### **Arkansas Taxpayer Access Point (ATAP)**

ATAP allows taxpayers or their representatives to log on to a secure site and manage all of their tax accounts online. ATAP allows taxpayers to make name and address changes, view letters on their accounts, make payments and check refund status. (Registration with ATAP is not required to make payments or check refund status.) Go to [www.atap.arkansas.gov](http://www.atap.arkansas.gov) for more information.

### **New Set Offs Added**

Act 961 of 2013 authorizes a set off against an Arkansas income tax refund for a debt owed to the Arkansas Public Defender Commission. Effective August 15, 2013.

## **Military Spouses Residency Relief Act**

Exempts a military spouse's income from Arkansas tax if the service member's Home of Record is not Arkansas and the spouse's domicile is the same as the service member's Home of Record. Effective January 1, 2009. Write the words "military spouse" at top of tax return and attach a completed Form AR-MS (available at [www.arkansas.gov/incometax](http://www.arkansas.gov/incometax)) and a copy of service member's LES to verify Home of Record. (For future tax purposes, the nonmilitary spouse must submit a new payroll withholding form, ARW-4MS to his/her employer each year to exempt future withholding.)

## **The Military Family Tax Relief Act of 2003 (Act 372 of 2009)**

This act adopts IRC 121, 134, and 162 as in effect on January 1, 2009. Provisions of this act include exclusion of gain on sale of principal residence, deduction of overnight travel expenses for National Guard and Reserve members, and exclusion from income of "qualified military benefits".

## **Treatment of Combat Pay Clarified (Act 29 of 2005)**

This act adopts Sections 112 and 692 of the Internal Revenue Code as in effect on January 1, 2005 to clarify that combat zone compensation is exempt from Arkansas individual income tax and that the income of a member of the armed forces is exempt in the year of the person's death. This act applies to tax years beginning on or after January 1, 2005.

## **The Servicemembers Civil Relief Act**

**Deferral of Tax** - Upon notice to the Internal Revenue Service or the tax authority of a state or a political subdivision of a state, the collection of income tax on the income of a servicemember falling due before or during military service shall be deferred for a period not more than 180 days after termination of or release from military service, if a service member's ability to pay such income tax is materially affected by military service.

**Accrual of Interest or Penalty** - No interest or penalty shall accrue for the period of deferment by reason of nonpayment on any amount of tax deferred under this section.

**Statute of Limitations** - The running of a statute of limitations against the collection of tax deferred under this section, by seizure or otherwise, shall be suspended for the period of military service of the servicemember and for an additional period of 270 days thereafter.

**Residence or Domicile** - A servicemember shall neither lose nor acquire a residence or domicile for purposes of taxation with respect to the person, personal property, or income of the servicemember by reason of being absent or present in any tax jurisdiction of the United States solely in compliance with military orders.

**Military Service Compensation** - Compensation of a servicemember for military service shall not be deemed to be income for services performed or from sources within a tax jurisdiction of the United States if the servicemember is not a resident or domiciliary of the jurisdiction in which the servicemember is serving in compliance with military orders.

## **RETIRED MILITARY PERSONNEL**

### **Extension of Time for Veterans (Retirees) to File for Refund (Act 238 of 2009)**

This act extends the statute of limitations for a veteran to file a claim for refund of an overpayment that results from retroactive determination by the Secretary of Veterans Affairs that part or all of the uniformed service retirement payments to the taxpayer are payments made for a service-connected disability and are not included in gross income. Effective January 1, 2001.

**Reminder: U.S. Military retirement DOES NOT qualify** as U.S. Military compensation, and **IS NOT eligible** for the \$9,000 military exemption on Lines 9A or 9B. U.S. Military retirement is eligible for the \$6,000 retirement exemption and should be listed on Lines 17A and/or 17B.

# DEFINITIONS

## GROSS INCOME

Gross income is any and all income (before deductions) other than the kinds of income specifically described as exempt from tax on pages 11 and 12 "Exempt From Income Tax".

**Exception:** The \$6,000 **exemption on retirement** income and the \$9,000 **exemption on military income** as described on page 12 **are included in gross income.**

## DOMICILE

This is the place you intend to have as your permanent home and the place you intend to return to whenever you are away. You can have only one domicile. Your domicile does not change until you move to a new location which you intend to make your permanent home. If you move to a new location but intend to stay there only for a limited time (no matter how long), your domicile does not change. This also applies if you are working in a foreign country.

## FULL YEAR RESIDENT

You are a full year resident if you lived in Arkansas all of calendar year 2013, or if you have maintained a domicile or Home of Record in Arkansas during the tax year.

## NONRESIDENT

You are a nonresident if you did not make your domicile in Arkansas.

## PART YEAR RESIDENT

You are a part year resident if you established a domicile in Arkansas or moved out of the state during calendar year 2013.

## MILITARY PERSONNEL

If Arkansas is your Home of Record (HOR) and you are stationed outside the State of Arkansas, you are still required to file an AR1000F reporting all of your income, including U.S. Military Compensation. If you are stationed in Arkansas and your Home of Record is another state, Arkansas does not tax your U.S. Military Compensation.

U.S. Military compensation includes wages received from the Army, Navy, Air Force, Marine Corps, Coast Guard, National Guard, Reserve Units, and the U.S. Public Health Service.

## DEPENDENTS

You may claim as a dependent any person who received over half of his or her support from you, earned less than \$3,900 in gross income, and was your:

Child	Stepchild	Mother	Father	Grandparent	Brother
Sister	Grandchild	Stepbrother	Stepsister	Stepmother	Stepfather
Mother-In-Law	Father-In-Law	Brother-In-Law	Sister-In-Law	Son-In-Law	Daughter-In-Law

Or, an individual (other than your spouse) who, for the tax year of the taxpayer, had the same principal place of abode as the taxpayer and was a member of the taxpayer's household. Or, if related by blood: Uncle, Aunt, Nephew, Niece. The term "dependent" includes a foster child if the child had as his principal place of abode the home of the taxpayer and was a member of the taxpayer's household for the taxpayer's entire tax year.

The term "dependent" does not apply to anyone who is a citizen or subject of a foreign country **UNLESS** that person is a resident of **Mexico or Canada.**

**If your child/stepchild was under age 19** at the end of the year, the \$3,900 gross income limitation does not apply. Your child/stepchild may have earned any amount of income and still be your dependent if the other dependency requirements in this section were met.

**If your child/stepchild was a student under age 24** at the end of the calendar year, the \$3,900 gross income limitation does not apply. The other requirements in this section still must be met.

**To qualify as a student,** your child/stepchild must have been a full-time student for five (5) months during the calendar year at a qualified school, as defined by the Internal Revenue Service.

**If your dependent died** during the tax year, you may claim the full amount of tax credit for the dependent on your tax return regardless of when the death occurred during the year.

Arkansas has adopted Internal Revenue Code §151(c)(6) regarding the tax treatment of kidnapped children.

**Exception:** The \$6,000 exemption on retirement income and the \$9,000 exemption on military income as described on page 12 are included in gross income.

If your gross income was less than the amount shown in the last column for your filing status, you are not required to file a return. **However, you must file a return to claim any refund due.**

### NONRESIDENTS (Use Form AR1000NR)

Nonresidents who received any taxable income from Arkansas sources **must** file a return (regardless of marital status, filing status, or amount).

### PART YEAR RESIDENTS (Use Form AR1000NR)

Part year residents who received any taxable income while an Arkansas resident **must** file a return (regardless of marital status, filing status, or amount).

## WHEN TO FILE

You can file your calendar year original tax return any time after December 31, 2013, but **NO LATER THAN April 15, 2014**, (unless an extension has been granted).

If you file a fiscal year tax return, your return is due **NO LATER THAN three and one-half (3 ½) months following the close of the income year.**

**NOTE: The date of the postmark stamped by the U.S. Postal Service is the date you filed your return.**

If the due date of your return falls on a Saturday, Sunday, or legal holiday, the return will be considered timely filed if it is postmarked on the next business day.

Statute of Limitations – Refunds. An amended return or claim for refund of an overpayment must be filed by the taxpayer within three (3) years from the time the return was filed or two (2) years from the time the tax was paid, whichever is later.

## IF YOU NEED MORE TIME

If you request an extension of time to file your federal income tax return (by filing **federal Form 4868** with the IRS) you are entitled to receive the same extension on your Arkansas income tax return. The federal automatic extension extends the deadline to file until October 15<sup>th</sup>.

The Department no longer requires that a copy of **federal Form 4868** be attached to your state tax return. **When your Arkansas return is complete and ready to file, simply check the box on the face of the return indicating you filed a federal extension.**

If you do not file a federal extension, you can file an Arkansas extension using **Form AR1055** before the filing due date of April 15<sup>th</sup>. **Inability to pay is not a valid reason to request an Arkansas extension.** Send your request to:

Individual Income Tax Section  
ATTN: Extension  
P.O. Box 3628  
Little Rock, AR 72203-3628

**NOTE:** The maximum extension that will be granted to an individual on an **AR1055** is one hundred and eighty (180) days, extending the due date until October 15<sup>th</sup>.

When you file your return, check the box indicating you filed a state extension. **If the box on the front of your return is not checked, you will not receive credit for your federal or state extension.**

An extension extends the amount of time to file your return, but does not extend the amount of time to pay. Any tax due must be paid by April 15, 2014 to avoid failure to pay penalty and interest.

Payments made on extension should be made on Form AR1000ES, Voucher 5.

**See Page 17 for information on penalties and interest.**

## EXEMPT FROM INCOME TAX

**NOTE: List exempt income on AR4, Part III and include the total on AR1000F/AR1000NR, Line 51. (You do not need to list exclusion amounts from numbers 10-12.)**

1. **Money you received from a life insurance policy because of the death of the person who was insured** is exempt from tax.

**NOTE:** You must include as taxable income any interest payments made to you from the insurer (the insurance company that issued the policy).

For tax years 2003 and later,** if you contributed after-tax dollars to your plan, you are allowed to recover your cost (investment) in your retirement plan in accordance with Internal Revenue Code §72. Then the first \$6,000 of the balance is exempt from tax. (If you received income from military retirement, you may adjust your figures if the payment included Survivor's Benefit Payments. The amount of adjustment must be listed on the income statement, and supporting documentation must be submitted with the return.)
12. **If you received a traditional IRA distribution after reaching the age of fifty-nine and one-half (59 1/2), the first \$6,000 is exempt from tax.** Your traditional IRA distribution may be adjusted for nondeductible IRA contributions, if any, by completing **Federal Form 8606** and attaching it to your Arkansas return. Premature distributions made on account of the participant's death or disability also qualify for the exemption. **All other premature distributions or early withdrawals including, but not limited to, those taken for medical expenses, higher education expenses or a first-time home purchase do not qualify for the exemption.**

*A surviving spouse qualifies for the exemption; however he/she is limited to a single \$6,000 exemption.*

**NOTE: The total exemptions from all plans described under 11 and 12 cannot exceed \$6,000 per taxpayer, not including recovery of cost.**

## FILING AN AMENDED RETURN

**If filing an amended return, check the box at the top right corner of Form AR1000F/AR1000NR/AR1000S. Complete the return, replacing the incorrect entries from your original return with the amended entries. Attach an explanation and supporting documentation for items changed. (Do not file an amended return until after your original return has been processed.)**

### Amended return not needed:

### MARRIED COUPLES—CHOOSING THE BEST FILING STATUS

If you and your spouse had separate incomes, you might save money by figuring your tax separately using one of the following two methods. Use the method that suits you best.

**METHOD A.** List your income separately under Column A ("Your Income"). List your spouse's income separately under Column B ("Spouse's Income"). Figure your tax separately and then add your taxes together. See instructions for Married Filing Separately on the Same Return, Box 4.

If you use Method A, your result will be either a COMBINED REFUND or a COMBINED TAX DUE.

**METHOD B.** File separate individual tax returns. See instructions for Married Filing Separately on Different Returns, Box 5.

If you use Method B, one of you may owe tax and the other may get a refund. The tax due must be paid with the proper tax return and the refund will be due on the other return. YOU MAY NOT OFFSET ONE AGAINST THE OTHER.

### BOX 3. Filing Status 3 (Head of Household)

To file as Head of Household you must have been unmarried or legally separated on December 31, 2013 and meet either 1 or 2 below. The term "Unmarried" includes certain married persons who lived apart, as discussed at the end of this section.

1. You paid over half the cost of keeping a home for the entire year that was the main home of your parent whom you can claim as a dependent. Your parent did not have to live with you in your home.

### OR

2. You paid over half the cost of keeping a home in which you lived, **and** in which one of the following also lived, for more than six (6) months of the year (temporary absences, such as vacation or school, are counted as time lived in the home):

- a. Your unmarried child, grandchild, great-grandchild, adopted child or stepchild. This child did not have to be your dependent, but your foster child must have been your dependent.
- b. Your married child, grandchild, adopted child or stepchild. This child must have been your dependent.
- c. Any other person whom you could claim as a dependent.

### MARRIED PERSONS WHO LIVED APART

Even if you were not divorced or legally separated in 2013, you may be considered unmarried and file as Head of Household. See Internal Revenue Service instructions for Head of Household to determine if you qualify.

**BOX 4. Filing Status 4 (Married Filing Separately on the Same Return)**

Check this box if you were married and are filing SEPARATELY ON THE SAME TAX RETURN. This method of tax computation may reduce your tax liability if both spouses had income. The result will be either a combined refund or a combined tax due.

IF ONE SPOUSE HAD A TOTAL NEGATIVE INCOME, YOU MUST FILE MARRIED FILING JOINTLY. \_\_\_\_\_

**BOX 5. Filing Status 5 (Married Filing Separately on Different Returns)**

Check this box if you were married and are filing separate tax returns. \_\_\_\_\_

**BOX 6. Filing Status 6 [Qualifying Widow(er)]**

Check this box if you are a QUALIFYING WIDOW(ER). \_\_\_\_\_

You are eligible to file as a QUALIFYING WIDOW(ER) if your spouse died in 2011 or 2012 and you meet each of the following tests:

1. You were entitled to file MARRIED FILING JOINTLY or MARRIED FILING SEPARATELY ON THE SAME RETURN with your spouse for the year your spouse died. It does not matter whether you actually filed a joint return. \_\_\_\_\_
2. You did not remarry before the end of 2013.
3. You had a child, stepchild, adopted child, or foster child who qualified as your dependent for the year.
4. You paid more than half the cost of keeping a home, which was the main home of that child for the entire year except for temporary absences. \_\_\_\_\_

**DECEASED TAXPAYER**

An Arkansas tax return should be filed for a taxpayer who died during the tax year as if the taxpayer had lived the entire year. The word "DECEASED" should appear after his/her name along with the date of death.

**NOTE:** Any refund check issued to a deceased taxpayer will be made out to the estate of the deceased taxpayer, i.e. "Estate of John/Jane Doe". To cash the check, the bank may require documentation such as death certificate, will, or power of attorney. \_\_\_\_\_

**PERSONAL TAX CREDITS**

**LINE 7A.** Each taxpayer and spouse is entitled to one personal tax credit. You can claim additional personal tax credits if you can answer "Yes" to any of these questions:

- Is your filing status **Head of Household** or **Qualifying Widow(er)**?
- On January 1, 2014, were you age **65 or over**?
- On December 31, 2013, were you **deaf**?
- On December 31, 2013, were you **blind**?

Check the box or boxes that apply to you and/or your spouse. You CANNOT claim any of these credits for your children or dependents.

**Blindness** is defined as being unable to tell light from darkness, having eyesight in the better eye not exceeding 20/200 with corrective lens, or having a field of vision limited to an angle of 20 degrees.

You can claim the **Deaf** Credit only if the average loss in speech frequencies (500 to 2000 Hertz) in the better ear is 86 decibels, I.S.O., or worse.

Any taxpayer **age 65 or over** not claiming a retirement income exemption on Line 17 is eligible for an additional **\$26** (per taxpayer) tax credit. Check the box(es) marked "65 Special".

Add the number of boxes you checked on Line 7A. Write the total in the box provided. Multiply the number by **\$26** and write amount in space provided. \_\_\_\_\_

**LINE 7B.** List the name(s) of your dependent(s), Social Security Numbers, and relationship to you in the space provided. DO NOT INCLUDE YOURSELF AND/OR YOUR SPOUSE. The individual(s) you can claim as dependent(s) are described on Page 10. (Attach schedule if more than 3 dependents.)

Add the number of dependents listed on Line 7B. Write the total in the box provided. Multiply the number by **\$26** and write that amount in the space provided. \_\_\_\_\_

**LINE 7C.** If one or more of your dependents had developmental disabilities, enter his/her name(s) on the line. Multiply \$500 by number of dependents with developmental disabilities. Enter the total. (Individual must qualify for credit. See Form AR1000RC5 to check if eligible.)

**NOTE: You must attach a certified AR1000RC5 to your return if this is the first year you claim the Credit for Individuals with Developmental Disabilities.**

A certified AR1000RC5 must be filed with your tax return every five (**5**) years. If credit was received on a prior year's return, do not file another AR1000RC5 until the Individual Income Tax Section notifies you. \_\_\_\_\_

**LINE 7D.** Total the tax credits from Lines 7A, 7B, and 7C. Enter the total on this line and on Line 32. \_\_\_\_\_

**INCOME**

**FULL YEAR RESIDENTS**

If your filing status is Married Filing Separately on the Same Return, both Column A and Column B must be used. Write your income in Column A and your spouse's income in Column B. For all other filing statuses, write all income in Column A only.

**PART YEAR AND NONRESIDENTS**

Complete Column A and Column B of the AR1000NR as if you were a full year resident. List all of your income from all sources for the entire year in these two columns.

List in Column C the total combined income (for both spouses) earned while Arkansas residents and income derived from Arkansas sources.

The total tax must be computed on the income totals in Columns A and B. After all allowable tax credits have been subtracted from the total tax, prorate the remaining balance. See instructions for Lines 36A, 36B, 36C, and 36D on Page 16.

**PART YEAR RESIDENTS AND NONRESIDENTS MUST ATTACH A COPY OF YOUR FEDERAL RETURN, OR YOUR ARKANSAS RETURN WILL NOT BE PROCESSED.**

**Round all amounts to the nearest dollar.** (For example, if your Form W-2 shows \$10,897.50, round to \$10,898. If your Form W-2 shows \$10,897.49, round to \$10,897.)

**Staple the state copy of each of your W-2(s) and 1099-R(s) to the left margin of the front of the return.** \_\_\_\_\_

**LINE 8.** Add the wages, salaries, tips, etc. reported on your W-2(s). Enter the total on this line. **Attach W-2(s).**

**Enter U.S. Military Compensation on Line 9A or 9B.**

**Ministers Income:** If you were a duly ordained or licensed minister, you received a housing allowance from your church, and you do not file a federal Schedule C or C-EZ, enter your gross compensation from the ministry less rental value of your home. The balance is subject to tax. **The rental value of your home must be shown on Form AR4, Part III. Attach AR4 and W-2(s).** \_\_\_\_\_

**LINE 9A.** If you had **U.S. Military Compensation**, enter gross income in space provided. You are **entitled to a \$9,000 exemption** from your gross income. The balance is taxable. **Attach W-2(s).**

**Enter U.S. Military Retirement on Line 17B.**

**HOME OF RECORD OTHER THAN ARKANSAS:** If your Home of Record is not Arkansas, do not report to Arkansas your income or your nonresident spouse's income. Fill out and submit AR-NRMILITARY Form to have a note put on your account that you are not required to file a return.

Your spouse's income is exempt from Arkansas tax if your Home of Record is not Arkansas and your spouse's domicile is the same as your Home of Record.

However, if your spouse had Arkansas income tax withheld, he/she will need to file a return to get a refund. Write the words "military spouse" at top of tax return and attach a completed Form AR-MS (available at [www.arkansas.gov/incometax](http://www.arkansas.gov/incometax)) and a copy of service member's LES to verify Home of Record.

(For future tax purposes, your nonmilitary spouse must submit a new payroll withholding form, ARW-4MS to his/her employer each year to exempt withholding.)

**LINE 10.** If you received interest from bank deposits, notes, mortgages, corporation bonds, savings and loan association deposits, and credit union deposits, enter all interest received or credited to your account during the year. **If the total is over \$1,500, complete and attach Form AR4.**

If you did not file a federal Schedule C or C-EZ, submit a similar schedule and enter the net income (or loss). **If you filed a federal Schedule C or C-EZ, attach it to your return.**

**Business income may not be split between you and your spouse unless a partnership was legally established.** Report partnership income on Form AR1050 and attach K-1(s) for each partner.

**Include on Line 20, Other Income, any federal/state depreciation differences.**

**LINE 14.** If you had gains or losses from the sale of real estate, stocks or bonds, or gains or losses from capital assets from partnerships, S corporations, or fiduciaries, enter your taxable share. **Adjust the amount of gain or loss for any federal/state depreciation differences.**

If, after the netting process, you had a capital gain or loss reported on **federal Schedule D** or on Form 1040/1040A, use Arkansas Form **AR1000D** to determine the taxable amount to enter. **Attach federal Schedule D and Form AR1000D to your return.**

**The amount of capital loss that can be deducted after offsetting capital gains is limited to \$3,000 (\$1,500 per taxpayer for filing Status 4 or 5).** If your capital loss was more than the yearly limit on capital loss deductions, you can carry over the unused part to later years until used up.

The gain on the sale of your personal residence is exempt up to \$250,000 per taxpayer (\$500,000 for married couples filing on the same return). The property must, during the 5 year period ending on the day of sale, be owned and used by the taxpayer(s) as the principal residence for periods aggregating 2 years or more.

**LINE 15.** Enter the ordinary gain or (loss) from Part II of federal Form 4797. **Adjust for any differences in Arkansas and federal depreciation.** The capital loss limit does not apply. **Attach federal Form 4797 and/or 4684 if applicable.**

**LINE 16.** Use this line to report taxable lump-sum distributions, annuities, and traditional IRA distributions. Include early withdrawal of traditional IRA distributions on this line. List only the amount of withdrawal and attach the federal Form 5329 showing the tax on premature distribution. Also, enter ten percent (**10%**) of the tax from the federal Form 5329, Part I and Part II, on Line 30. If you received a distribution which does not qualify for the Lump-Sum Distribution Averaging Schedule (AR1000TD), list the total distribution received in 2013. (See AR1000TD to determine if you qualify to use the averaging method.) **Attach 1099-R(s).**

Premature distributions are amounts you withdrew from your traditional IRA, deferred compensation, or thrift savings plans before you were either age 59 ½ or disabled. Rollovers of premature distributions are tax exempt.

**McFadden and Maples Claimants:** If you received a 1099-R and a claim was filed on your behalf under *McFadden v. Weiss* or *Maples v. Weiss* your Arkansas basis (cost of contributions) may have been fully recovered for tax purposes. If your basis has been fully recovered, enter the amount from Box 1 of your 1099-R as the "Gross" and "Taxable Amount" on Line 17A or B.

**LINE 17A.** If you had income from an employment-related pension plan or a qualified traditional IRA distribution, enter the gross amount(s) from Box 1 of your 1099-R(s) in the space provided. Enter the federal taxable amount from Box 2a of your 1099-R(s) in the space provided. If Box 2a is blank, use the Simplified Method Worksheet in the federal 1040 Instruction Booklet to calculate the taxable amount of your distribution. You are entitled to a **\$6,000 exemption** from the taxable amount; the balance is taxable to Arkansas. Enter the balance on Line 17A, Column A. **Attach 1099-R(s).**

**FILING STATUS 2 (Married Filing Joint) ONLY:** If you and your spouse both had income from a retirement plan and/or qualified traditional IRA distribution, enter the combined gross income amount from Box 1 of your 1099-R(s). Enter the combined federal taxable amount from Box 2a of your 1099-R(s). If Box 2a is blank, use the Simplified Method Worksheet in the federal 1040 Instruction Booklet to calculate the taxable amount of your distribution. Both you and your spouse are entitled to a **\$6,000 exemption** from your respective taxable retirement plan income; the balance is taxable to Arkansas. Enter the balance on Line 17A. **Attach 1099-R(s).**

**LINE 17B. FILING STATUS 4 (Married Filing Separately on the Same Return) ONLY:** If your spouse had income from an employment related pension plan or a qualified traditional IRA distribution, enter the gross income from Box 1 of his or her 1099-R(s). Your spouse is entitled to a **\$6,000 exemption** from the taxable amount; the balance is taxable to Arkansas. Enter the balance on Line 17B. **Attach 1099-R(s).**

You are eligible for the **\$6,000 exemption** for retirement or disability benefits provided the distribution was from public or private employment-related retirement systems, plans, or programs. **(The recipient need not be retired.)** The method of funding is irrelevant. The exemption may be taken from either lump-sum or installment payments. The early withdrawal penalty may be applicable even though the exemption is granted.

If you received a traditional IRA distribution after reaching the age of fifty-nine and one-half (59 1/2), the first **\$6,000** is exempt from tax. Premature distributions made on account of the participant's death or disability also qualify for the exemption. All other premature distributions or early withdrawals including, but not limited to, those taken for medical expenses, higher education expenses, or a first-time home purchase **do not** qualify for the exemption.

**Note:** If you made nondeductible contributions to your traditional IRA, enter taxable amount from federal Form 8606 in the space provided. **Attach federal Form 8606.**

**LINE 18.** If you had income from rents, royalties, estates or trusts, profits (whether received or not) from partnerships, fiduciaries, small business corporations, etc., enter the amounts as reported on your federal Schedule E. If you are filing a return for a taxable year that is not the same as the annual accounting period of your partnership or trust, report your distributive share(s) of net profits in the accounting period that ends in your taxable year. **Attach federal Schedule E.**

Nonresident beneficiaries pay tax only on Arkansas income.

**LINE 19.** If you had farm income, enter the amount reported on your federal Schedule F. **Farm income may not be split between you and your spouse unless a partnership was legally established.** Partnership income must be reported on Form AR1050, with K-1(s) for each partner. **Attach federal Schedule F.**

Include amounts recovered on bad debts that you deducted in an earlier year.

If you had a **net operating loss (NOL)** in an earlier year to carry forward to 2013, enter it as a negative amount on this line. **Attach a statement showing how you calculated the amount of loss and the year the loss occurred.** A net operating loss may be carried forward for five (5) years. ## PAYMENT INFORMATION

Complete Form AR1000V (available at [www.arkansas.gov/incometax](http://www.arkansas.gov/incometax)) and attach a check or money order to your return. Write the tax year and your Social Security Number or account number on the check or money order, and make your check payable in U.S. Dollars to the Department of Finance and Administration. Mail on or before April 15, 2014. If the payment is for an amended return, mark the box yes on Form AR1000V for "Is Payment for an Amended Return".

Credit card payments may be made by calling **1-800-2PAY-TAX<sup>SM</sup>** (1-800-272-9829), or by visiting [www.officialpayments.com](http://www.officialpayments.com) and clicking on the "Payment Center" link.

Credit card payments will be processed by Official Payments Corporation, a private credit card payment services provider. A convenience fee will be charged to your credit card for the use of this service. **The State of Arkansas does not receive this fee.** You will be informed of the exact amount of the fee before you complete your transaction. After you complete your transaction you will be given a confirmation number to keep with your records.

**NOTE:** Do not send currency or coin by mail.

## PENALTIES & INTEREST

You must mail your tax return by April 15, 2014. Any return not postmarked by April 15, 2014 (unless you have an extension) will be delinquent. A penalty of one percent (**1%**) per month for failure to pay and five percent (**5%**) per month for failure to file, up to a maximum of thirty-five percent (**35%**), will be assessed on the amount of tax due on an original return. Interest of ten percent (**10%**) per year will also be assessed on any additional tax due, calculated from the original due date to the date you paid the tax due on an original or amended return.

**An extension to file is not an extension to pay.** If you have not paid the amount due by the original due date you will be subject to a failure to pay penalty of one percent (**1%**) per month of the unpaid balance.

In addition to any other penalties assessed, a penalty of **\$500** will be assessed, if any taxpayer files what purports to be a return, but the return does not contain information on which the correctness of the return may be judged, and such conduct is due to a position which is frivolous or an effort to delay or impede the administration of any State law.

## PRESERVATION OF TAX RECORDS

A taxpayer who files an Arkansas income tax return is required to retain records to prove the accuracy of that return. The records must be retained for at least six (6) years (unless otherwise provided by law) and are subject to examination by the Director at any reasonable time during that period.

When a taxpayer fails to preserve and maintain the required records, the director may make an estimated assessment based upon any available information as to the amount of tax due by the taxpayer. Per ACA 26-18-506, the burden of proof of refuting this estimated assessment is upon the taxpayer.

## IF THE IRS AUDITS YOU

If the Internal Revenue Service examines your return for any tax year and changes your net taxable income, you must report the changes to the Arkansas Department of Finance and Administration within **ninety (90) days** from the receipt of the notice and demand for payment from the Internal Revenue Service.

File Arkansas Form AR1000F/AR1000NR Amended Individual Income Tax Return (or Form AR1000A/AR1000ANR for tax years 2009 and prior), reporting the changes to your state return for the year(s) in question. **Attach a copy of the federal changes.**

If you fail to notify this Department within ninety (90) days and do not file the required amended return, the statute of limitations will remain open for eight (8) years on the year(s) in question. Additional interest will be calculated on any tax you owe the State of Arkansas.

## INFORMATION EXCHANGE PROGRAMS WITH THE IRS

Under authorization of Internal Revenue Code Section 6103(D) the State of Arkansas participates in several information exchange programs with the Internal Revenue Service:

- **CP2000:**

The IRS matches income reported on a taxpayer's federal income tax return with documents (W-2s, 1099s, etc.) provided to the IRS by the payer to determine whether income was omitted from the taxpayer's return. If unreported income is discovered, the IRS assesses additional federal tax on the omitted income then notifies the State of Arkansas. The taxpayer's state tax return is then reviewed for unreported income. (Some examples of commonly omitted income include wages, pensions, and cancellation of debt.)

- **Revenue Agent Reports "RARs":**

When the IRS adjusts a taxpayer's federal income tax return as the result of an audit, details are provided to the State of Arkansas. The taxpayer's state tax return is then reviewed and adjusted if appropriate. (Some examples of RAR adjustments include disallowance of deductions, expenses, or dependents and assessment of early withdrawal penalties.)

- **Non-filer Identification:**

The IRS provides the Arkansas Department of Finance and Administration with a list of taxpayers who filed federal returns using Arkansas addresses. This information is then compared with Arkansas income tax records to identify individuals who filed federal returns using Arkansas addresses but did not file Arkansas returns. Letters are sent inquiring whether the taxpayer is required to file. The taxpayer should file the return in question or provide documentation why he/she is not required to file. If a sufficient response is not received, state tax is assessed using amounts reported on the taxpayer's federal return, and the taxpayer is mailed a Notice of Tax Adjustment.

# TAXPAYER BILL OF RIGHTS

You have the right to a full explanation of all actions by any agent of the Director of the Department of Finance and Administration both during an audit and during collection activities.

- All tax information contained in the records and files of the Director of the Department of Finance and Administration (hereinafter "Director") pertaining to you or your business is confidential subject to exceptions in Ark. Code Ann. §§ 26-18-303.
- You may represent yourself in any proceeding or interview before the Director or you may be represented by anyone whom you authorize in writing to be your representative.
- You have the right to consult with a lawyer, accountant, or other representative at any time during an interview with an agent of the Director. The Director shall suspend the interview to allow you to consult with your representative.
- You may record any interview with the Director or his agent at your own expense. You should let the Director or his agent know in advance of your intention to record the interview. The Director may likewise record an interview, and a copy may be obtained within a reasonable time at your expense.
- You may request an administrative review of any proposed assessment of tax. You must request this review within 60 days of your receipt of a proposed assessment. The administrative review may be based on an in-person hearing, a telephone hearing, or consideration of written documents. If you do not request an administrative hearing, you may still pursue your judicial remedies by filing an action in the circuit court.
- If you receive an unfavorable decision from your administrative review, then you may request a review of the decision by the Director. This request must be received by the Director within 20 days of the mailing of the hearing decision. If you receive an unfavorable decision from the Director on any issue, you may pursue judicial remedies as discussed below.
- After the issuance of the final assessment and demand for payment, you may appeal the tax assessment to circuit court, regardless of whether you protested the assessment and requested an administrative review. To pursue your appeal of a tax assessment to circuit court you must either: (a) pay the entire amount of tax due for any taxable period(s) covered by the final assessment within one year of the date of the final assessment or (b) file a bond for double the amount of the tax deficiency within 30 days of the issuance of the final assessment. You must file your lawsuit within one year from the date of paying or within 30 days of filing a bond. Within 30 days of the final assessment, the Revenue Division may proceed with collection activities, including the filing of a lien, for any tax, penalty, or interest that is unpaid or not covered by a bond.
- A taxpayer may file an amended return or a verified claim for credit or refund of an overpayment of any state tax within three years from the date the return was filed or two years from the date the tax was paid, whichever is later. Any amended return or claim for refund should be filed with the office of the Revenue Division which administers the type of tax in question.
- If the Director disallows the refund claim either in whole or in part, the Director will issue a Notice of Claim Denial. You may request an administrative review of the Notice of Claim Denial. This request must be made within 60 days of your receipt of the proposed notice. If you receive an unfavorable decision from your administrative review, you may request a review of the decision by the Director. This request must be made within 20 days of the mailing of the administrative decision.
- Following an administrative hearing and corresponding review, the taxpayer may seek judicial relief from the Notice of Claim Denial by appealing the decision to circuit court. Judicial review is available whether or not you requested an administrative review. To pursue your appeal to circuit court, you must file suit within one year of the date of the mailing of the notice of denial of refund claim, the final determination of the hearing officer, or revision decision of the Director, whichever is later. If the Director fails to issue a written decision in response to the refund claim within six months of the date a claim for refund is filed, the taxpayer may then file suit to recover the amount claimed.
- Any taxpayer who wishes to file a complaint regarding any activity concerning the administration or collection of any state tax by the Revenue Division should make the complaint in writing to:

- In administering the state tax laws, the Director is authorized by law to make an examination or investigation of the business, books, and records of the taxpayer. If the Director determines that an additional amount of tax is due, then a proposed assessment shall be issued to the taxpayer. The taxpayer may seek relief from the proposed assessment as outlined above. If the taxpayer fails to preserve and maintain records suitable to determine the amount of tax due or to prove accuracy of any return, the Director may make an estimated assessment based upon the best information available as to the amount of tax due by the taxpayer.
- The Director may issue a jeopardy assessment against any taxpayer (1) whose tax liability exceeds any bond on file indemnifying the state for the payment of a state tax, (2) who intends to leave the state, remove his property, or conceal himself or his property, (3) who intends to discontinue his business without making adequate provisions for payment of state taxes or, (4) who does any other act tending to prejudice or jeopardize the Director's ability to compute, assess, or collect any state tax. Any taxpayer seeking relief from a jeopardy assessment must request an administrative hearing within five days from the receipt of the notice of jeopardy assessment.
- When collecting any state tax due from a taxpayer, the Director is authorized to file a Certificate of Indebtedness (state tax lien) with the circuit clerk of any county of this state certifying that the person named therein is indebted to the state for the amount of tax due as established by the Director. The Certificate of Indebtedness shall have the same force and effect as the entry of a judgment rendered by a circuit court and shall constitute a lien upon the title of any real and personal property of the taxpayer in the county where the Certificate of Indebtedness is recorded.
- After the filing of the Certificate of Indebtedness, the Director may take all steps authorized by law for the collection of the tax, including the issuance of a writ of execution, garnishment, and cancellation of any state tax permits or registrations.
- Any court costs or sheriff's fees which result from the Director's attempt to collect delinquent taxes shall be collected from the taxpayer in addition to the tax, interest, and penalties included in the Certificate of Indebtedness.
