Missions Project

This year we will partner again with the women's department to help raise funding for the Mama Agnes children's outreach center in Africa. This mission's project is only during the Be Brave Tour so please bring your one check for the offering with you to the event. Please encourage your girls to give as well as partnering with your pastor and church.

All girls giving \$100 or more will have their name put in to win a pair of tickets to Silver Dollar City, the winner will be announced at the conclusion of all four events.

All leaders giving \$100 or more will have their name put in to win a \$100 Women's Retreat voucher the winner will be announced at the conclusion of all four events.

Please keep track of those in your group who have turned in the \$100 and still just bring **one check** with your total offering to the event.

Dear Pastor & Church Leaders,

I pray you had a great Christmas season, celebrating the joy the newborn savior brings. As the District Girls Ministries coordinator I love seeing the amazing lights that fill the night sky with beauty just like the young girls we are building up to be lights in our dark world. It's not an easy world that our girls are growing up in and it is time for them to Be Brave in who God has made them to be that they can stand confidently in God's power and strength.

The District Girls Ministries Department would like to help you in your ministry to girls in your church. Whether you use the girl's ministries curriculum in a weekly meeting format or just have girls in your church that need to know more about Jesus, we want to help. These mini retreats, Be Brave Tour, will be happening in four regions across the district making ministering to girls in your church and community more accessible. You may choose the event that is most convenient for you. The retreats cost is \$10 per girl, just enough to cover supplies and provide a small amount for the district girl's ministries department. Our desire is to make the cost small enough so that we could see many girls come and grow in their relationship with Christ. **Lunch will be \$5 dollars in addition to the registration cost, or you may bring your own sack lunch.**

The mission's project for all the Be Brave Tour is the Mama Agnes Children's Outreach in South Africa. We are partnering with the Women's Ministries Department and would like to contribute \$4000.00 from the girl's ministries department to the project. We ask that the girls begin raising money and your church can contribute as well with writing one check to send to the Be Brave Tour. There will be prizes awarded to the highest giving group in the section and the district. Please bring **one check** made payable to S.M.D.C:

Check : check for the total amount of the offering (this would include what the church is giving and what the girls have turned in)

We want to get our girls excited about missions giving at a young age so that when they become women they will have a passion for missions.

This cannot be a success without prayer your partnership and support!

In Christ,

DeShae Thrasher, District Girls Ministries Coordinator
