

## Pink Bandana Beat Breast Cancer Scholarship

Pink Bandana is a non-profit organization which raises money and awareness about breast cancer for women 40 years of age and under. Since 2008, the group has been raising money through the annual Beat Breast Cancer Mud Volleyball tournament. Each year, Pink Bandana awards two \$10,000 gifts to families battling breast cancer. As we are able to raise more funds through the tournament and our donations we have added a scholarship for students who have battled or who have watched a parent or sibling fight breast cancer. The scholarship will be a 4 year renewable scholarship for \$1000 per year to the institution of their choice.
