President's Column

By Denise Hartsough

Introducing...your LWVKA Membership and Leadership Development Team! **Jackie Wylie, Norma Clack and Denise Hartsough** have volunteered to work with coaches from the League of Women Voters of Michigan to foster membership growth and engagement, leadership development, and community visibility.

The Membership and Leadership Development (MLD) Program offers handy tools, sage advice, and opportunity for reflection. This is a national effort with expert help to local Leagues from the state level.

Norma and Jackie bring decades of League experience to the team. Jackie has recently returned to the Board after some years off, serving this term as secretary. Before Norma moved to Kalamazoo, she was involved for decades with the Saginaw League and served for 8 years as its president. Norma has graciously agreed to help with the MLD effort as an LWVKA member who is not currently on the Board. I am the junior member of the team in terms of experience—I am a long-time League member who has become active only in the past half dozen years or so.

As your MLD Team, we will reach out to the Board and a variety of committees with ideas from the MLD Program that we think may help the LWVKA build on its strong foundation. We welcome your input about ways to recruit new members from the community and to increase the engagement of current members. You are also welcome to join the team! Please feel free to contact any of us.

#Giving Tuesday

The non-profit community comes together to raise awareness and support.

By Paula Manley

This year, the League will participate in the third annual #Giving Tuesday campaign on December 2, 2014. In the same way retail stores come together to offer deals on Black Friday and Cyber Monday, #Giving Tuesday brings the nonprofit community together on a universal platform to raise awareness about the importance of supporting our valuable missions and work.

Our League was very active in 2014, providing a range of programs and services for the community especially around the election. These included:

- Young Adult Voter Education program at area high schools
- Candidate forums in partnership with Michigan United, YWCA and WKZO

- Voter registration at numerous community events
- Distribution of 28,000 *Voter Guides*, and online through our website and Vote411.org

In this time of heightened partisanship, gridlock between policy makers, and increased frustration among the public, there has never been a more urgent need for the reasoned, factual, and civil voice the League of Women Voters brings to our community.

You, too, can make a difference. Your #Giving Tuesday gift to the League of Women Voters of the Kalamazoo Area will ensure that we can continue to provide these great services to our community in the coming year.

Public Advocacy and Voter Protection Project 2014

Thanks to those who helped with this important project.

By Paula Manley

LWVKA was awarded a Public Advocacy and Voter Protection Project Grant (PAVP) from the LWVMI through the LWVUS. The goals were: to implement election observer programs in up to 10 communities in Michigan to help ensure all votes count and to develop a voter information campaign for use throughout the area, particularly in targeting underrepresented voters.

A regional workshop was held in Kalamazoo in late September to train election observers and also train local Leagues in the use of social media for election education campaigns. Community members **Mary Ellen Glondeck** and **Margie Stinson** along with League members **Tamara Car-**

penter, Mary Gustas, Linda Havens, Janet Jones, Ken Manley, Paula Manley, and Merrikay Oleen-Burkey were trained. Six participated as nonpartisan poll observers on election day at several precincts around the area. They observed the voting process and recorded their observations.

Another part of the project was to educate the public about voting and Vote411.org. **Michele McGowan** posted the LWVKA Facebook messages encouraging people to vote and advertising Vote411.org as a voting information resource.

Thanks to those who volunteered to be part of this project and were part of seeing democracy in action!
