

# SASH GAZETTE

Single Action Shootists Hawaii

## Full Calendar in 2008!!

### Great turn-out for our Annual Membership Meeting!

Howdy all - Ms. Fyre here! This will be my official last Gazette for SASH! I am TOTALLY and officially retired from the SASH board! It's been a great 5 years serving on the board – but I've been wanting to take a break and hand it over for some time now, and I think we've got a great replacement coming in! ☺

Please welcome Bob "Bloody Bill" Hogue as the new incoming secretary! He will be taking over starting off at the January match, taking care of the Gazette, roster, email alerts and checking in everyone at the matches. Best of luck to you Bob and thank you for taking over the reins as secretary!

The rest of the board positions will stay as is: Phil "Branded Buck" Rapoza as President, Eric "Wa Wo Kiye Pake" Ako as Vice President, Ron "Clell" Miller as Territorial Governor, Karen "Kamuella Kowgirl" Rapoza as Treasurer, Mike "Wyatt" Wee as Armorer and Jeff "El Muerte de Dolor" Wang as Match Director.

Thank you all for your patience and support over the years!! Hopefully this will help me shoot better... well, I guess there's no excuse now! HAH!

*Aloha!*

Shar "Ms Fyre" Andreshak

### RANGE OFFICER CLASS

Wanna learn the nitty-gritty rules and regulations about our shooting sport? SASH will be holding Range Officer (R.O.) class for those that are interested.

We are bringing over Maui Marshal "Lobo Negro" to Oahu to hold the class. We're looking at doing the class possibly in April. We hope to have R.O. I & II certification classes held – more details to follow.

Contact any board member to let them know you are interested in signing up.

# CONGRATS

Our raffle this year was loaded with tons of GREAT PRIZES!! We had over 25 prizes given out this year, with 4 of them being firearms!

Big winners were:

Stuart "Pair-a-dice" Belshe and Len "Cathouse" Carlson, each winning a 45LC Ruger Vaquero! Mike "Mustang Sam" Cole walked away with an "IOU" for a Norinco 12ga. Side-by-Side Shotgun (with "rabbit ears") and Shar "Ms Fyre" Andreshak won another "IOU" for a Norinco 12ga. Pump-Action shotgun.

President Phil "Branded Buck" Rapoza hand-made 2 really nice gun carts this year for the lucky winners: Mike "Wyatt" Wee and Jeff "El Muerte" Wang.

We also gave away various gift certificates to local gun shops (WGS, Young Guns and Security Equipment Corp.), as well as to an online cowboy action store: Wild West Mercantile!

Other prizes were donated by our members such as books, shotgun ammo, and even an awesome miniature saddle donated by the Belshe's (which was won by Eric "Pake" Ako).

Congratulations to all of the winners that evening!

The board decided that those that were NOT present for the raffle still can win prizes, however, they would not be able to "trade-up" if a different prize came along...that way, it will encourage more members to attend our general membership meeting.

For those that won prizes who were not in attendance, we will be bringing them to the next few shoots for you to pick-up.

Bob "Bloody Bill" Hogue will get the list and try to make contact with the winners about their prizes.

# TIE BREAKER INFO

Letter from the Match Director:

It has been brought to my attention that there is some concern as to the deciding factors regarding the resolution of the scoring for the overall Champion of 2007. First of all, please inform us as to who is asking the questions, as hearsay and misinformation via translation inaccuracies will be the death of us all. I personally like to get information from the horses mouth as it were, because I have heard too often the he said, she said, and when actually asked, it was very different. I would be happy to talk to anyone who has questions, personally, to clear up any misperceptions.

Yes, tie breakers were originally set to be a "tie." Unfortunately, I did not ever imagine a tie for first place. As Match Director, I made an executive decision for the first place trophy to be based on the actual time since all matches were attended by the two top shooters. In cases where there were differences in the number of matches attended, the actual times would have been invalid. There is no question as to who "won" with the actual times for the whole year with equal competition. Our scoring for points is based of events such as tournament racing where multiple heats are performed to determine the winner through points given for placement. The difference is that those events are finished within a week or set period of time where everyone participates. If you miss a race, you are out of the running, period. We have had to adjust things for our type of competition and schedule. I felt that by determining the actual time for the year, there would be no complaints of favoritism or padding or that the wrong shooter won, since this was based on the times from actual head to head performance.

I take full responsibility for the decision made, and if anyone wishes to take over the position as Match Director, please let me know, and I will gladly pass on the mantle.

Jeffrey Wang
